Terms & Conditions

All sales are made by WIKK® only upon the following terms, conditions and submission of a written purchase order. Any additional or different terms or conditions set forth in any purchase order or similar communication are hereby rejected and shall not be binding or effective unless expressly agreed to in writing by an authorized representative of WIKK®. Any purchase order executed after the effective date of this price book provides acceptance to our terms and conditions.

TERMS OF SALE

Prices – The price list in effect on the date the customer order is received will determine billing price. Orders requiring price protection must be clearly indicated and received prior to the effective date of the price list increase. Delivery of price-protected orders will only be honored for immediate shipment. Orders requiring delivery in excess of three (3) months will be billed at prices in effect at time of shipment, unless otherwise quoted in writing by WIKK®. Prices and availability subject to change without notice.

Terms – 1% - 10 days; Net - 30. WIKK® reserves the right to add a monthly 2% late payment fee to outstanding invoices with a minimum late payment fee of $20.00. The purpose is to defray costs associated with collecting late payments.

Orders – WIKK® reserves the right to decline an order, in whole or in part, in which price, or quantity of goods or credit status of the buyer is not satisfactory to us. WIKK® reserves the right to discontinue items or change specifications at any time without notice and without incurring any obligations. WIKK® cannot be held liable for extended delivery dates that may result in the cancellation of an order.

No invoice will be priced for less than $50.00 net plus shipping charges.

WIKK® reserves the right to request a percentage of the order/quotation amount as a deposit on custom bollards or special orders before engineering drawings are provided.

ALL SALES ARE FINAL

Acknowledgements – Acknowledgements are exact copies of the manufacturing order and should be checked upon receipt. If incorrect, please notify WIKK® immediately.

Cancellations – Cancellations will not be accepted on goods that are not regular stock (custom products), which are in the process of being manufactured, or ready for shipment.

While WIKK® will attempt to comply with customer's telephone or written change orders and/or cancellations, WIKK® cannot guarantee that they can be accomplished before shipment. Appropriate handling charges on returns will be exercised if the order has been shipped before processing a change order request. A cancellation or change charge will apply if any costs for material or labor have been incurred prior to notification by customer of the change.

Shipments – Shipment dates are contingent upon conditions at the time of order acknowledgement and can be subject to delays caused by shortages of materials, equipment failure, fire, flood or other acts of God, or causes beyond WIKK's® control. WIKK® will not be liable under any circumstances for consequential damages arising from any delays.

Claims – All claims, whether referring to errors in prices, in filling orders, or for defective goods, must be submitted IN WRITING within 30 days after receipt of shipment. Requests for tracing of all lost shipments must be submitted IN WRITING within 30 days or the liability and risk is placed on the purchaser. All issued documents by a carrier confirming receipt of a shipment must be honored by the purchaser.

Return Goods – Returned goods will not be accepted unless authorized by a Return Goods Authorization (RGA) in writing within 90 days of invoice date. An RGA becomes void 30 days after its issue date. Credit will be given for products that are current production, new, unused, and in undamaged condition as received at the WIKK® facility. A minimum 35% restock charge will apply. All products should be shipped to WIKK® - Returns Department, 6169A Industrial Court, Greendale, Wisconsin 53129. Returned material must be freight prepaid. Any exceptions to this policy will be noted on the RGA document.

Product Modifications – Unauthorized modifications to WIKK® products by a third party will void the factory limited warranty. Any listings and/or certifications, such as Underwriters Laboratory, ANSI/ BHMA certification, and other similar listings, do not apply to products modified outside WIKK®'s plant. Any modified product cannot be advertised, promoted or sold as a WIKK® product. The party, or parties, modifying WIKK® products bear sole and complete responsibility for the modified product.
