in door opening solutions

McKINNEY ElectroLynx Harnesses & Components For Metal Doors

CORBIN RUSSWIN, SARGENT, and YALE

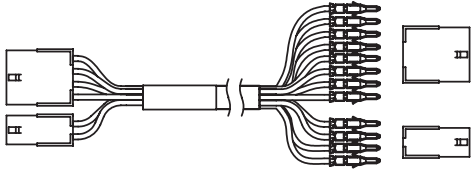

If metal door, order a retrofit cable with Molex connectors on both ends.

If the metal door is polystyrene filled or steel stiffened, the cable may need to be routed up and over the door.

PART #	McKINNEY Catalog #	Description:	Net Price	Max Hinge required (Not included)
3", 6" & 12" Harness				
Between hinge and the end of an exit device				
93981	QC-C003	QC12 - 3" Wire Harness; 8 & 4 Pin Connector w/12 wires (For Exit Device Rail Jumper to Hinge)	\$8.12	QC12
93982	QC-C006	QC12 - 6" Wire Harness; 8 & 4 Pin Connector w/12 wires (For Exit Device Rail Jumper to Hinge)	\$8.50	QC12
93983	QC-C012	QC12 - 12" Wire Harness; 8 & 4 Pin Connector w/12 wires (For Exit Device Rail Jumper to Hinge)	\$11.24	QC12
2', 3' & 4' Harness				
Between hinge and through the door to the lockset or exit device trim				
93984	QC-C200	QC12 - 26" Wire Harness; 8 & 4 Pin Connector w/12 Wires	\$12.62	QC12
93985	QC-C206	QC12 - 32" Wire Harness; 8 & 4 Pin Connector w/12 Wires	\$13.62	QC12
93986	QC-C300	QC12 - 38" Wire Harness; 8 & 4 Pin Connector w/12 wires	\$13.96	QC12
93987	QC-C306	QC12 - 44" Wire Harness; 8 & 4 Pin Connector w/12 wires	\$14.10	QC12
93988	QC-C400	QC12 - 50" Wire Harness; 8 & 4 Pin Connector w/12 wires	\$14.36	QC12
15' Harness				
From the hinge location, up the jamb to the above the ceiling, or up and around a full lite or half lite metal door.				
93989	QC-C1500	QC12 - 15' 2" Wire Harness; 8 & 4 Pin Connector w/12 Wires	\$31.46	QC12

McKINNEY ElectroLynx Harnesses & Components For Wood Doors

CORBIN RUSSWIN, SARGENT, and YALE

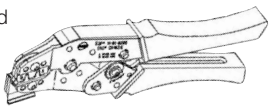

If wood door, order a retrofit cable with the Molex connector on one end, and pins crimped on the other end.

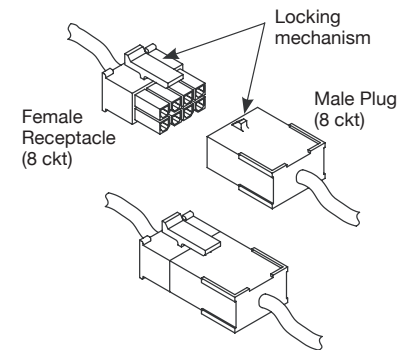

PART #	McKINNEY CATALOG #	Description:	Net Price	Max Hinge required (Not included)
3", 6" & 12" Harness				
Between hinge and the end of an exit device				
93990	QC-C003P	QC12 - 3" Wire Harness; 8 & 4 Pin Connector w/12 wires (For Exit Device Rail Jumper to Hinge, Insert pre-pinned ends into plastic Molex connector)	\$10.38	QC12
93991	QC-C006P	QC12 - 6" Wire Harness; 8 & 4 Pin Connector w/12 wires (For Exit Device Rail Jumper to Hinge, Insert pre-pinned ends into plastic Molex connector)	\$10.76	QC12
93992	QC-C012P	QC12 - 12" Wire Harness; 8 & 4 Pin Connector w/12 wires (For Exit Device Rail Jumper to Hinge, Insert pre-pinned ends into plastic Molex connector)	\$13.50	QC12
2', 3' & 4' Harness				
Between hinge and through the door to the lockset or exit device trim.				
93993	QC-C200P	QC12 - 26" Wire Harness; 8 & 4 Pin Connector w/12 wires (Insert pre-pinned ends into plastic Molex connector)	\$14.88	QC12
93994	QC-C206P	QC12 - 32" Wire Harness; 8 & 4 Pin Connector w/12 wires (Insert pre-pinned ends into plastic Molex connector)	\$15.88	QC12
93995	QC-C300P	QC12 - 38" Wire Harness; 8 & 4 Pin Connector w/12 wires (Insert pre-pinned ends into plastic Molex connector)	\$16.22	QC12
93996	QC-C306P	QC12 - 44" Wire Harness; 8 & 4 Pin Connector w/12 wires (Insert pre-pinned ends into plastic Molex connector)	\$16.36	QC12
93997	QC-C400P	QC12 - 50" Wire Harness; 8 & 4 Pin Connector w/12 wires (Insert pre-pinned ends into plastic Molex connector)	\$16.62	QC12
15' Harness				
From the hinge location, up the jamb to the above the ceiling, or up and around a full lite or half lite metal door.				
93998	QC-C1500P	QC12 - 15' 2" Wire Harness; 8 & 4 Pin Connector w/12 Wires (Termination in Field)	\$33.72	QC12

McKINNEY ElectroLynx Harnesses & Components

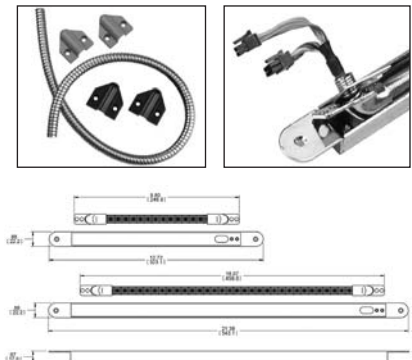

CORBIN RUSSWIN, SARGENT, and YALE

PART #	McKINNEY CATALOG #	Description:	Kit Application:	Net Price
Miscellaneous Kits				
94034	QC-R001	Molex/Repair/Service Kit	Includes 2, 4, 8 Molex receptacles and plugs (Qty. 10 ea) and the corresponding terminals (100 of each type), extraction tool and pinning assembly guide. Customer must purchase Molex crimper separately.	\$77.26
Miscellaneous Kits				
94035	QC-R002	Extraction Tool 	Quantity 1 Each, Sold one each	\$16.80
94036	QC-R003	Molex Hand Crimp Tool 	Molex tool used to attach terminals to wire (stripped) ends	\$350.00

PART #	McKINNEY CATALOG #	Description:	Kit Application:	Net Price
Receptacles and Terminals				
94037	QC-RF2	Female Receptacle 2 CKT	Quantity 1 Bag of 100 in Kit, Bag	\$18.80
94026	QC-RF4	Female Receptacle 4 CKT	Quantity 1 Bag of 100 in Kit, Bag	\$23.00
94027	QC-RF8	Female Receptacle 8 CKT	Quantity 1 Bag of 100 in Kit, Bag	\$30.40
94028	QC-RM2	Male Receptacle 2 CKT	Quantity 1 Bag of 100 in Kit, Bag	\$20.00
93978	QC-RM4	Male Receptacle 4 CKT	Quantity 1 Bag of 100 in Kit, Bag	\$23.60
93979	QC-RM8	Male Receptacle 8 CKT	Quantity 1 Bag of 100 in Kit, Bag	\$31.10
94029	QC-FT2024	Female Terminal AWG 20-24	Quantity 1 Bag of 100 in Kit, Bag	\$7.80
94030	QC-FT2630	Female Terminal AWG 26-30	Quantity 1 Bag of 100 in Kit, Bag	\$7.80
93980	QC-MT2024	Male Terminal AWG 20-24	Quantity 1 Bag of 100 in Kit, Bag	\$7.80
94031	QC-MT2630	Male Terminal AWG 26-30	Quantity 1 Bag of 100 in Kit, Bag	\$7.80
94033	QC-DCC	Pinning Assembly Guide	Quantity 10 in Kit, Sold 1 Each	\$16.95

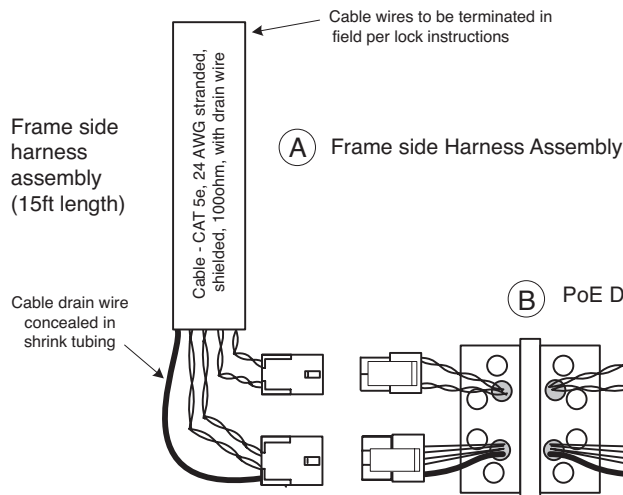

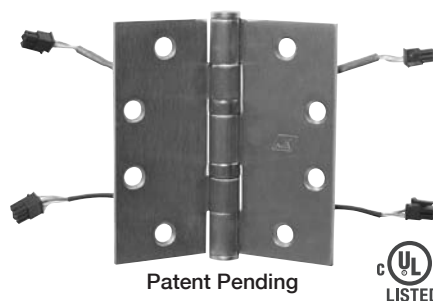

Door Cord and EPT				
94002	MCK-TSB-C	Door Cord Gray/Black Caps 18"	Quantity 1 Each, Sold 1 Each	\$13.50
94003	MCK-TSB-CXL	Door Cord Gray/Black Caps 36"	Quantity 1 Each, Sold 1 Each	\$18.50
94004	MCK-EPT	Electrical Power Transfer	Quantity 1 Each, Sold 1 Each	\$31.50
94005	MCK-EPTL	Electrical Power Transfer, Long	Quantity 1 Each, Sold 1 Each	\$41.50
94006	MCK-EL-EPT	ElectroLynx EPT -12 wire	Quantity 1 Each, Sold 1 Each	\$50.00
94007	MCK-EL-EPTL	ElectroLynx EPTL Long -12 wire	Quantity 1 Each, Sold 1 Each	\$60.00

As part of their promise to provide innovative, fast and effective high security solutions to their customers, ASSA ABLOY Group brands offer ElectroLynx®, a universal quick-connect system that simplifies the electrification of the door opening.

McKINNEY ElectroLynx Power over Ethernet (PoE) Hinge & Harnesses

PART #	McKINNEY CATALOG #	Description:	Net Price
73695	4.5 x 4.5 TA2714 26D PoE	Standard Weight 5 Knuckle	\$439.64
73696	4.5 x 4.5 T4A3786 26D PoE	Heavy Weight 5 Knuckle	\$456.75

Consult the factory for additional items with PoE option.

NOTES:

The PoE door & frame harnesses can accommodate a variety of new (with raceway) and retrofit applications.

Connectors are small enough to run through a 3/8" (min.) stile-to-stile door raceway.

Connects to intelligent Power over Ethernet electromechanical hardware from SARGENT and CORBIN RUSSWIN.

PART #	McKINNEY CATALOG #	Harness Length	Application	Description:	Net Price	Max Hinge required (Not included)
30", 36", 42", 48" & 54" Door Harnesses			Between Hinge & PoE Lock			
94022	PoE-C206P	30"	20" to 25" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	\$20.08	PoE
94038	PoE-C300P	36"	26" to 31" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	\$20.56	PoE
94039	PoE-C306P	42"	32" to 36" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	\$20.96	PoE
94040	PoE-C400P	48"	37" to 42" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	\$21.50	PoE
94041	PoE-C406P	54"	43" to 48" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	\$22.10	PoE
180" Frame Harness			Between hinge and PoE Network Cable & Switch			
94044	PoE-C1500P	180"	From the hinge location, up the jamb to the wall/ceiling.	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	\$23.50	PoE

The door harness connectors are small enough to run through a 3/8" (minimum) stile-to-stile door raceway.

*See the McKinney Catalog for additional finishes and hinge types.

Note: One hinge, door harness and frame harness are required for each PoE opening.

GEN-1 GENERAL INFORMATION

January 1, 2011

ACCEPTANCE

McKinney reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, Competitive Price Quotation ("CPQ") requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on McKinney, unless such terms and conditions are approved in a separate written agreement by McKinney authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by McKinney, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between McKinney and the Purchaser.

In the event that McKinney does not enforce or require strict performance of any term or condition hereof, or any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of McKinney to enforce or require strict performance of such term or condition in the future.

PRICES

All prices are subject to change without notice and are not guaranteed. All shipments will be made at prices in effect at the time of shipment.

Possession of this price list does not constitute an agreement to sell.

We reserve the right to correct clerical, stenographic and other obvious errors at any time.

TAXES

If under any law now or hereafter passed the seller is required to pay a tax on sales, or on an excise tax, the amount of these taxes will be added to the invoice value.

DELIVERY

Seller shall not be liable for any delay in delivery, or failure to deliver, due to any cause beyond the Seller's control, including but not limited to fires, floods, strikes, or other labor disputes, accidents to machinery, acts of sabotage, riots, precedence or priorities granted at the request or for the benefit, directly or indirectly, of the federal or any provincial government or any subdivision or agency thereof, delay in transportation or lack of transportation facilities, restrictions imposed by the federal, provincial or other governmental legislation or rules or regulations thereof.

CREDIT

Acceptance of orders and deliveries thereof shall at all times be subject to our approval of credit.

PAYMENT TERMS

Orders based on quotations for specific jobs will be invoiced at prices in effect on the date such orders are accepted. Other orders will be invoiced at prices in effect on the date of shipment.

Errors and omissions are subject to correction on acknowledgement which in all circumstances supercedes all pricing shown herein.

Accounts are net cash 30 days or with 2% discount for cash if paid on or before the 10th of the month following the date of invoice.

A charge of \$50.00 will be made for itemization. A charge of \$25.00 will be made when changes are requested on itemized jobs already processed.

No invoice will be rendered for less than \$50.00 net.

On non-standard items a 5% over or under run constitutes a complete order.

TERMS

It is understood that McKinney may impose and charge a finance charge which is the lesser or one and one-half percent (1-1/2) per month of the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

NOTE: PRICES PER EACH NET

PRODUCT WEIGHT INFORMATION

Weights indicated throughout this price list are approximate for brass, bronze or stainless steel base material. Aluminum base materials weigh approximately 1/3 the listed weights.

WARRANTY

McKinney products are not designed for or intended for aftermarket modification. The warranty on McKinney products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-party electrification of non-electric products and/or the installation of non-approved or non-McKinney components.

If a McKinney product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine McKinney product. A modified product may not be sold as a McKinney product and no McKinney trademarks or certification marks based on the original McKinney product, such as (but not limited to) U.L. or ANSI/BHMA marks, may appear anywhere on the modified product or on any packaging, literature or instructions sold with the modified product.

All original McKinney packaging and literature carries McKinney trademarks and must be destroyed if the original McKinney product is modified. Portions of the product that carry a McKinney trademark or certification mark must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and markings are also the responsibility of the party making the modification. The use of McKinney trademarks on modified products constitutes trademark infringement.

TRADEMARKS

McKINNEY® is a registered trademark of McKinney Manufacturing Company.

Other product brand names may be trademarks or registered trademarks of their respective owners and are mentioned for reference purpose only.

SHIPMENTS

Once in the hands of the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

All goods are F.O.B. shipping point via the most economical routing, with carrier chosen by us. Full freight prepaid on **shipments within Continental United States** having a net value of \$1,250 or more. *Spring Hinges and Contract Hinges may be combined with Continuous Gear Hinges, Threshold, Weatherstrip or Architectural Door Trim to meet freight prepaid.

If a different method of delivery is requested, the purchaser will be responsible for any additional transportation charges.

Shipments by Air, Parcel Post, Bus or Express are F.O.B. factory with no freight allowance. There will be a \$25.00 surcharge on all bus or parcel post shipments. Handling charges on UPS, Air Freight or common carrier shipments may apply.

A charge of \$15.00 will be made for notifying customers 24 hours in advance of a truck delivery.

There will be a \$25.00 charge for furnishing proof of delivery. This charge will be cancelled if delivery was not made.

Orders marked WOG will be held for 10 days after being produced and then shipped unless specifically marked for shipment with another P.O.

CANCELLATIONS

We are unable to accept cancellations or changes on non-stock and special ordered (s/o) items once processing begins. A charge will be assessed based on manufacturing expense incurred.

RETURNED GOODS

No credit will be issued for returned goods unless such return is authorized. If such authorization is given by us, there will be a minimum handling charge of **45% or \$50.00 which ever is greater**, for stock items shipped within a 90 day period from the date of the request. Non stock material (s/o) will be subjected to a minimum of 50% based upon select approval by the factory on an individual basis.

CLAIMS

Inspect before you sign. If there is a shortage or damage, accept shipment only after freight agent makes a damage or shortage notation on your freight bill, bill of lading, or delivery receipt. If damage or loss is evident, **notify your freight agent and request inspection within 10 days of receipt of goods.** Shipments are packed in approved containers. Claims must be made within 30 days of shipment and are subject to approval. Claims made after 30 days will not be honored. Our responsibility for damage, visible or concealed, ceases upon delivery to the transportation company.

5 KNUCKLE BEARINGS

While TA/ T4A part numbers are listed in this price book, TB/T4B is available at the same price listed.

TA2731 will become a TA4731, A TA3350 becomes a TA4350.

•Price remains the same as square edge hinge

•Indicate hand when ordering

SAFETY STUD FEATURE Suffix SSF

Add \$11.01 each

PRISON SAFETY FEATURE Suffix PSF*

Add \$13.04 each

*available on HTA786 or HTA386 (32D) only

SLIP IN HINGES Suffix SIH Type I (Handed), SIH Type II

Regular weight bearing hinge only

Add \$23.47 each

indicate hand when ordering

SPECIAL SCREWS (1/2 x 12-24 machine - 1 1/4 x 12 wood)*

Spanner heads suffix SHS, machine screws provided. Wood screws by request only

Steel

\$0.80 each

Brass

\$1.10 each

Stainless Steel

\$2.11 each

Spanner bit holder tool

\$31.03 each

Spanner bit (for use in holder)

\$21.08 each

TORX Pin head security screws - Suffix TXS, machine screws provided. Wood screws by request only

Steel

\$0.87 each

Stainless

\$1.10 each

#20 - 1/2X12-24 & 1-1/4 x 12 wood screw

#25 - 1/2x1/4-20 machine screw, 1-1/2x12 wood screw

TORX bit

\$21.57 each

TORX bit holder tool

\$31.03 each

*Consult factory for price and minimum requirements on additional sizes.

Contract grade hinges are packed all machine x all wood screws

TIPS

HOSPITAL TIPS Prefix H

Regular weight plain bearing, oil impregnated or ball

Add \$18.13 each

Heavy weight oil impregnated or ball

Add \$18.13 each

Solid Brass BALL TIPS suffix x BT up to 6" in height

Add \$19.666 each

Solid Brass STEEPLE TIPS suffix x ST up to 6" in height

Add \$19.66 each

Architectural Hardware Finish Presentation Folder FS86

\$55.00 net

Architectural Hardware Hinge Display Board 81208

\$596.66 net

Perforated cardboard shims

\$7.70 per hundred

GENERAL INFORMATION

TOP TEN ORDERING TIPS

January 1, 2011

We appreciate your orders with or without questions!
Our goal is to provide you with the best service in this industry!
Reducing the frequency of question orders allows us to better serve you!

1. Clarity
 - If we can't read your order, chances are it may be processed incorrectly
 - Check the font sizes of your address, phone and fax numbers. A font size of 12 is recommended for your order
2. Processing Information
 - A valid purchase order number is necessary to process your order
 - Please be sure to include your account number, Bill to and Ship to address, any special markings or special packing instructions
 - Include your requested method of shipping
 - Include your requested shipping date
 - It is important for you to sign or list your name on the purchase order in case we need to contact you about your order
3. Pricing
 - Is this order based upon your standard buying program
 - If this order is based upon a quotation, please include quotation number so that we may properly price your order
4. Type of Hinge
 - Full Mortise, Half Mortise, Full Surface, Half Surface
 - Standard Weight, Heavy Weight
 - Bearing, Non Bearing
 - Ferrous, Non Ferrous
 - Butt, Spring Hinge, Continuous Hinge, Pivot
5. Size
 - We carry butt hinges in sizes from 3-1/2" x 3-1/2" up to 8" x 8"
 - Height is the first dimension
 - Width is the second dimension
 - Wide throw hinges are available up to 8" in width
 - Continuous Hinges are available in sizes from 79" to 120" (or custom sized below these lengths)
 - Door Edge Guards are available in sizes up to 120"
6. Finish
 - McKinney Provides all BHMA Standard Finishes as well as McKinney Powder Coat Finishes
7. Hanging
 - 2-Knuckle Hinges, CS- Electric Hinges, Anchor Hinges, continuous hinges with electrical modification, PT prep or custom cut
 - CSS-9 Combination Strike & Stop and the DLS-8 Double Lipped Strike are prepared for either center or offset hung applications. This must be specified along with the size.
8. Options
 - Options listed in the General Information Section of the Price Book are available on most Full Mortise hinges, however, we list available options for each hinge on the individual catalog page. Refer to the catalog page to be sure the option you are specifying is available on the particular hinge you want.
 - For PT prep on Continuous Hinges, please provide the model of the unit we need to prepare for as well as the dimension FROM THE TOP OF THE HINGE DOWN. Your order cannot be processed without the specific dimensions either to the top of the cut out or the center line of the cut out. We also need the hanging for these units. Please fill out and fax the PT templates with your order. See pages CG26 and CG27 for these templates.
 - Electric Options for Continuous Hinges need to specify number of wires and hanging, along with the location of the electrical prep from the top of the hinge to the centerline of the prep. All electric continuous hinges are supplied with a 4-amp fuse. Not installing this fuse voids the warranty.
9. Customization
 - Consult the factory regarding any customization.
10. EDI — ELECTRONICALLY TRANSMITTED ORDERS
 - Have you considered our EDI option?
 - McKINNEY EDI is available
 - Please consult the factory for further information

CG-1 CONTINUOUS HINGES ALUMINUM

McKinney
ASSA ABLOY

January 1, 2011

PListing: R12248

McKINNEY aluminum continuous hinges have been tested and certified by Underwriters Laboratories, Inc. (U.S.A. and Canada) for up to a 3-hour (A Label) Fire Listing for all 4'0" x 10'0" and 8'0" x 10'0" door and frame assemblies. Fire listing certification applies to all approved hollow metal and wood door assemblies in dry wall or masonry wall construction. No special preparations are required for up to 90 minutes. Fire Pins, which also increase the security of the door are required for 3-hour applications. Fire Pin applications fall within the UL guidelines for retrofitting assemblies in the field. Cutting the hinge in the field will not void the UL listing. Drilling locations for Fire Pins are found on each template. The most up to date templates are found on our web site at www.mckinneyhinge.com

All models are approved for UL retrofit applications per NFPA 80.

These hinges conform to ANSI / BHMA Standard A156.26-2000:

Grade 2-150 (150 # Door @ 1,500,000 cycles)	Grade 2-300 (300 # door @ 500,000 cycles)
Grade 1-300 (300 # Door @ 1,000,000 cycles)	Grade 1-600 (600 # Door @ 500,000)

Available Options:

(Consult individual pages for availability of option with profile listed)

- **Current Carrying Hinges:** Each QC4 conductor flat cable will carry 4 amps at 24 volts with a 16 amp in rush current for 300 milliseconds. The electrical prep is provided with a 4 amp in-line fuse to protect the cable from any overload or surge in power. When ordering, please specify where the modification is to be located from the top of the hinge down to the centerline of prep. Handing is required on all hinges provided with electrical modifications. Flat cable conductor is warranted for 5 years. Flat plug connectors are included at each leaf for ease of electrical connection. Each electrical prep is supplied with a 36" and 72" wire harness. QC hinges are available with the additional options, SER (Serviceable) and ACC (Accessible)
- **MM** – Magnetic Monitoring Transfer also available with SER and ACC Options.
- **QC** – Electrolynx Connectors also available with SER (Serviceable) and ACC (Accessible) Options.
- **EPT** – Power Transfer Prep (Cut Out Only) for Von Duprin. See page CG27 for location template. This template must be filled out and included with your order.
- **PT** – Power Transfer Prep (Cut Out Only) – for Securitron, Yale, Centurion, Dorma or Adams Rite. Refer to page CG26 for location template. This template must be filled out and included with your order.
- **Custom Cut to Length** (Hinges may be field cut and not void listing. Field-Cut hinges should be cut from bottom)
- **Fire Pins Kit** – While hinges are rated without fire pins up to 90 minutes, 3-hour ratings require the use of fire pins. Fire pin kit consists of 4 each for 80-95 inch hinges and 5 each for 96 to 120 inch hinges, as well as the installation instructions on what size holes to drill after the hinges have been installed.
- Hospital Type Tips are available on full mortise hinges
- Specify "K" pre-fix for Kawneer Tufile series aluminum Doors on our MCK-12HD Series, order as K-MCK-12HD and include size and finish
- **Painted Colors**
 - Gear Cap Only - Batch charge and additional charge per hinge
 - Complete Hinge - Batch charge and additional charge per hinge (minimum run 20 hinges) POA

Lengths

McKINNEY aluminum continuous gear hinges are listed and priced here in 79", 83", 85", 95" and 120" actual lengths for ease of installation on standard nominal door openings. The actual length of the hinge provides for head and threshold clearance. Custom lengths may be ordered as a special run. Consult the factory regarding minimum requirements and non-cancellation policy on custom lengths.

Hinges may be cut to appropriate length in the field. The hinge should be installed with the cut side on the bottom. Cutting in the field does not void the listing. We recommend that after removing cap, a saw blade be used to score and always begin cut at gear head. Never at leaves.

Cut only from bottom of hinge. Do not cut through bearings or screw holes.

CG-2 CONTINUOUS HINGES ALUMINUM CONTINUOUS HINGE CLEARANCE DIMENSIONS

McKinney®
ASSA ABLOY

January 1, 2011

The full-mortise units are designed mainly for new doors and frames, and are applied so as to conceal both leaves. In retrofit applications, the door width must be reduced for proper clearance (See Figures 1, 2, 3 and 4 below for proper clearance).

The full-surface units are designed mainly for retrofit work, and are applied to the exposed surface of the door and frame (See Figures 1 & 2 below for proper clearance).

The half-surface units are designed mainly for retrofit applications. The door leaf is applied to the exposed surface of the door, and the frame leaf is applied to the concealed surface of the frame rabbet (See Figures 1 & 2 below for proper clearance).

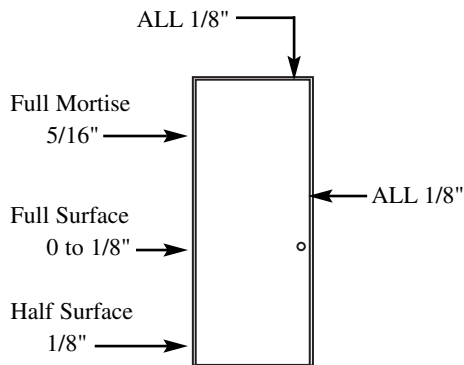

Figure 1 - Typical

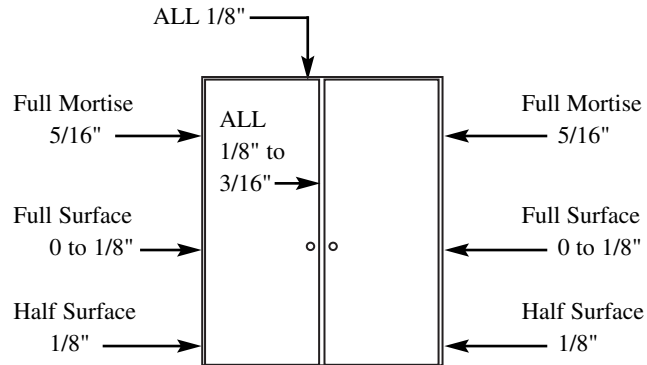

Figure 2 - Typical

* Allow extra clearance as required per astragal manufacturer

CONTINUOUS HINGES

Stainless & Steel Continuous Hinge

Numbering System & Standard Lengths

McKinney®

ASSA ABLOY

January 1, 2011

Hinge Prefixes

EG	Edge Guard
FM	Edge Mount
FS	Full Surface
HG	Hinge/Guard
HM	Half Mortise
HS	Half Surface
SC	Swing Clear

Hinge Series

This series number indicates the type of hinge and base material used:

MCK-3700	Carbon steel barrel hinges with stainless pin
MCK-300	Stainless steel barrel hinges with stainless pin
MCK-3500	12 Gauge stainless steel pin and barrel security hinges

Hinge Models

00	Edge mount (formerly full mortise)
01	Full surface, 1/8" offset
02	Full surface, flush
03	Half surface, 1/8" offset
04	Half mortise, 1/8" offset
05	Edge mount hinge/guard
06	Half mortise hinge/guard
08	Edge guard
09	Full surface, swing clear
10	Swing clear hinge/guard
11	Edge mount, self aligning

Other numbers are used for specific applications

Option Suffixes

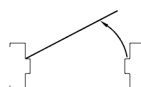

AMS	Adjustable Monitoring Switch
CC	Concealed Current Transfer
CT	Current Transfer Switch
CTP	Current Transfer Preparation
DD	Dutch Door
EMAP	Electrical Modification Access Prep
EPT	Electric Power Transfer
ES	Exposed Monitoring Switch
HT	Hospital Tip
LL	Lead Lined
MB	Medical Bearings
PC	Powder Coated
RB	Raised Barrel
WT	Wide Throw

Standard Hinge Length Conversion Chart

A 6'8"	door opening = an actual length of 78.75" (handed)
A 7'0"	door opening = an actual length of 83.125"
A 7'2"	door opening = an actual length of 85.00" (handed)
A 8'0"	door opening = an actual length of 95.00"
A 10'0"	door opening = an actual length of 118.75"

Custom hinge length will be evaluated at the time of request to ensure proper pin to knuckle alignment. Some custom length requests may be adjusted to ensure a proper hinge assembly.

For hinges 118-13/16" to 192" in length	+40.80 to double the 8'0"
Handing Required	

PRODUCT	SUFFIX	ADDITIONAL PRICE
Hospital Tip	-HT	+24.38/hinge

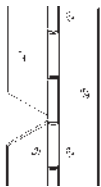

Available on all models except spring-loaded toilet partition hinges.

Helps provide a safe, clean environment.

Handing Required

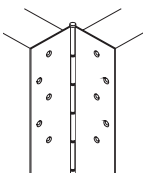

PRODUCT	SUFFIX	ADDITIONAL PRICE
Dutch Door Prep	-DD	+24.38/hinge

Continuous frame leaf with two-piece door leaf.

Indicate handing, clearances, door and frame heights, and materials when ordering.

PRODUCT	SUFFIX	ADDITIONAL PRICE
Wide Throw	-WT	+47.70/hinge

Only available on 300 series hinges.

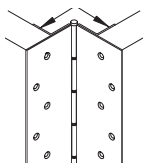

Specify distance from pin centerline to heel edge of hinge when ordering.

Reinforcement may be required on extreme wide throw applications.

These conditions will be determined through a drawing approval process.

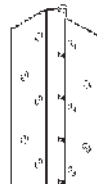

Cost will be determined at time of approval.

Custom Angle: 92.75 per angle

Automatic Door Bottom Cut	+20.67
Weld End Pins	+27.56
Plug Weld	+20.67
Blank Hinges	+34.45/hinge
Holes omitted for special applications such as welded installations.	
Cut to size Charge	+10.00 per hinge

PRODUCT	SUFFIX	ADDITIONAL PRICE
Raised Barrel (Swaged)	-RB	+20.67/hinge

Available on all edge mount and half surface models except on **Aluminum hinges**.

Required on models MCK-FS-201, MCK-FS-202, MCK-FS-301 & MCK-FS-302 in order to open 180°. For cased open or center pivot doors.

PRODUCT	SUFFIX	ADDITIONAL PRICE
Medical Bearing	-MB	+13.25/hinge

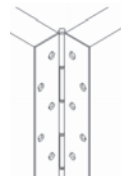

Specially designed for hospitals and other high frequency openings.

PRODUCT	SUFFIX	ADDITIONAL PRICE
Lead Lined Cover	-LL	+29.15/cover
Lead lined astragal for EGT		+72.08/astragal

Only available on surface mounted Hinges.

Used for x-ray room doors and other locations where radiation leakage could be a problem.

PRODUCT	SUFFIX	ADDITIONAL PRICE
Sheared Leaf		+27.56/hinge

Used for narrow door thickness', unevenly rabbeted frames or other special applications.

Specify distance from pin centerline to heel edge of hinge when ordering.

For Steel & Stainless Steel hinges only.

PRODUCT	SUFFIX	ADDITIONAL PRICE
Custom Hole Pattern		+40.81/hinge

Any hole shape or pattern other than MCKINNEY's standard templated hole pattern.

Indicate desired pattern and include dimensioned diagrams when ordering.

PRODUCT	SUFFIX	ADDITIONAL PRICE
Security Studs		+42.93/hinge

Stainless steel security studs mounted to the frame leaf

Door leaf is drilled to accommodate studs

Three studs installed on hinges up to 7'2"

Four studs installed on hinges over 7'2"

Door and frame must be specially prepared to accommodate security studs.

GENERAL INFORMATION

McKinney®
ASSA ABLOY

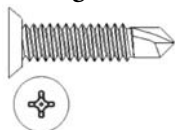

January 1, 2011

GENERAL

Prices and terms of sale are subject to change without notice.

This price list is only a quotation and is neither an offer to sell nor an acceptance of an offer to buy the goods covered hereby.

Sale of the goods covered by this quotation will be subject to the terms and conditions set forth on the sellers acknowledgement and those printed hereunder.

McKINNEY (Manufacturer or Seller or Company) and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a distributor's request to quote a price to a distributor other than the Manufacturer's standard list price, regardless of whether Manufacturer or its sales representatives have previously quoted discounted prices to distributor on some or all of its orders.

TAXES

If under any law now or hereafter passed the seller is required to pay a tax on sales, or on an excise tax, the amount of these taxes will be added to the invoice value.

DELIVERY

Seller shall not be liable for any delay in delivery, or failure to deliver, due to any cause beyond the Seller's control, including but not limited to fires, floods, strikes, or other labor disputes, accidents to machinery, acts of sabotage, riots, precedence or priorities granted at the request or for the benefit, directly or indirectly, of the federal or any provincial government or any subdivision or agency thereof, delay in transportation or lack of transportation facilities, restrictions imposed by the federal, provincial or other governmental legislation or rules or regulations thereof.

CREDIT

Acceptance of orders and deliveries thereof shall at all times be subject to our approval of credit.

PAYMENT TERMS

Orders based on quotations for specific jobs will be invoiced at prices in effect on the date such orders are accepted. Other orders will be invoiced at prices in effect on the date of shipment.

Errors and omissions are subject to correction on acknowledgement which in all circumstances supercedes all pricing shown herein.

Accounts are net cash 30 days or with 2% discount for cash if paid on or before the 10th of the month following the date of invoice.

A charge of \$50.00 will be made for itemization. A charge of \$25.00 will be made when changes are requested on itemized jobs already processed.

No invoice will be rendered for less than \$45.00 net.

On non-standard items a 5% over or under run constitutes a complete order.

NOTE: PRICES PER EACH NET

WARRANTY

McKINNEY hinges are warranted to be free of defects in both workmanship and materials. McKINNEY'S liability under all warranties, express or implied, shall be limited to replacement of defective goods. The defective goods must be returned to our factory, with freight charges prepaid. Any bending, defacing or modification of a hinge after leaving our factory will void the warranty.

This warranty is only valid if the hinges are specified, applied and adjusted in accordance with the instructions contained in the general information section of the McKINNEY catalog and on frames and doors that are plumb and square.

This warranty is good for one (1) year.

SHIPMENTS

Goods in transit are at the risk of the purchaser.

All goods are F.O.B. shipping point via the most economical routing, with carrier chosen by us. Full freight prepaid on shipments within Continental United States having a net value of \$1250 or more.

If a different method of delivery is requested, the purchaser will be responsible for any additional transportation charges.

Shipments by Air, Parcel Post, Bus or Express are F.O.B. factory with no freight allowance. There will be a \$25.00 surcharge on all bus or parcel post shipments. Handling charges on UPS, Air Freight or common carrier shipments may apply.

A charge of \$15.00 will be made for notifying customers 24 hours in advance of a truck delivery.

There will be a \$25.00 charge for furnishing proof of delivery. This charge will be cancelled if delivery was not made.

Orders marked WOG will be held for 10 days after being produced and then shipped unless specifically marked for shipment with another P.O.

CANCELLATIONS

We are unable to accept cancellations or changes on non-stock and special ordered (s/o) items once processing begins. A charge will be assessed based on manufacturing expense incurred.

RETURNED GOODS

No credit will be issued for returned goods unless such return is authorized. If such authorization is given by us, there will be a minimum handling charge of 45% or \$50.00 which ever is greater, for stock items shipped within a 90 day period from the date of the request. Non stock material (s/o) will be subjected to a minimum of 50% based upon select approval by the factory on an individual basis.

CLAIMS

Inspect before you sign. If there is a shortage or damage, accept shipment only after freight agent makes a damage or shortage notation on your freight bill, bill of lading, or delivery receipt. If damage or loss is evident, **notify your freight agent and request inspection within 10 days of receipt of goods.** Shipments are packed in approved containers. Claims must be made within 30 days of shipment and are subject to approval. Claims made after 30 days will not be honored. Our responsibility for damage, visible or concealed, ceases upon delivery to the transportation company.

T&W GEN-2
GENERAL INFORMATION
Pricing

January 1, 2011

LAR = Length as required

MILL LENGTHS

Most extrusions are available in mill lengths. Cut lengths over 12 feet are charged as mill lengths.

ORDERING INFORMATION

Please order material by product number, specifying length required per piece and the number of pieces. Most weatherstrips are stocked in standard sizes.

If it is not practical to furnish the size ordered, the next larger size will be furnished and charged. Thresholds are maintained in standard sizes with 1/2" extra length on thresholds thru 47" and 1" extra length for thresholds 48" and longer to allow for fitting and field trim, unless exact net cut size is specified.

NON-STOCK FINISH INFORMATION

Some items shown in this catalog are not stocked in certain finishes (i.e. BDG, PW, and G). 'Batch charges' may be required on non-stock finishes to achieve our normally fast lead times. Consult MCKINNEY customer service for a quotation and lead time.

OPTION TABLES

The following Option Tables are provided for selection of other than standard or normal Finishes, Components, Fabrication, or Fasteners. Since these are other than standard or normal, please allow an appropriate amount of extra lead time for option(s) selected.

Torx Screws	Types & Sizes Vary	Quote
Tapcons	See Page 21 Section 28 for prices.	

FASTENER OPTIONS IMPORTANT NOTE: Some thresholds require more than 1 row of fasteners across their width. Carpet thresholds which are 4" or wider (2364, 2464 and 2366) require 2 rows of fasteners. Floor plates and safety treads which are 6" or wider (such as 193) require 2 rows of fasteners. All thermal barrier thresholds (such as 253x3AFG) require 2 rows of fasteners. All other thresholds which are 8" or wider (including custom assemblies) require more than 1 row of fasteners. Special order fastener prices double, triple, quadruple, etc. depending upon the number of rows of fasteners across the width of a given threshold.

Product Sorting

Pricing

January 1, 2011

CUTTING TOLERANCES

Elastometric: -0 + 2" (50.8 mm)
Metal Products (up to 48": + 1/2" (12.7 mm)
Metal Products (48" and over): + 1" (25.4 mm)
Net Cut: +/-0.060, 1/16" (1.5 mm)
Auto Door Bottoms: +/-0.060, 1/16" (1.5 mm)

PRODUCT SORTING

McKINNEY uses an alpha-numeric computer sorting method which works as follows: All product numbers which begin with the same first digit are grouped together sequentially. Within that group, all product numbers which begin with the same first digit and the same second digit are grouped together sequentially. Within that group, all product numbers which begin with the same first digit and the same second digit and the same third digit are grouped together sequentially. And so on... Symbols (i.e. "/") sort before numbers (i.e. "0,1,2,3..."); numbers sort before letters (i.e. "A,B,C,D..."). The chart at right is an example of how the method works:

STANDARD FINISHES:

MITER RETURNS

Generally sold in pairs (i.e. 1 ea. WING10LH + 1 ea. WING10RH = 1 pair). Part numbers with 'MR' include 1 pair of miter returns, & (where applicable) 1 pair of miter return extenders (i.e. WING EXT's).

PART NUMBER	LENGTH	PRICE/EACH	PRICE/PAIR
MCKRR12LH	12"	19.00	\$58.00 pair
MCKRR12RH	12"	19.00	
MCKWING10LH	10"	59.30	\$126.00 pair

MCKWING EXT LH(AK)	12	108.40	\$228.00 pair
MCKWING EXT RH(AK)	12	108.40	

Special Order Fasteners

Assemblies are supplied with #10 stainless steel wood screws. Stainless steel machine screws and expansion shields (SS/MS&ES10 or SS/MS&ES25) or flat head sleeve anchors (FHS125) are available at an extra cost.

Assemblies which are 7" or wider require more than 1 row of fasteners. Therefore, fastener prices double, triple, quadruple, etc. depending upon the number of rows of fasteners across the width of a given assembly. A list of fastener options are shown on page 4 of this price list. The following chart shows SS/MS&ES25:

Threshold Width	# of Fastener Rows	List Price Add
2" to 6-7/8"	1 Row	1.00 / ft.
7" to 12-7/8"	2 Rows	2.00 / ft.
13" to 18-7/8"	3 Rows	3.00 / ft.
19" to 24-7/8"	4 Rows	4.00 / ft.
25" to 30-7/8"	5 Rows	5.00 / ft.
31" to 36-7/8"	6 Rows	6.00 / ft.

Therefore, the List Price Adder for SS/MS&ES25 for a R1.750SSA36 is:
\$5.00 (5 rows at \$1.00 / ft.) x 3 (3 feet) = \$15.00

Threshold & Weatherstrip Pricing

January 1, 2011

SPECIAL ORDER FASTENERS

Assemblies are supplied with #10 stainless steel wood screws. Stainless steel machine screws and expansion shields (**SS/MS&ES10** or **SS/MS&ES25**) or Flat Head Sleeve Anchors (**FHSL25**) are available at an extra cost.

Assemblies which are 7" or wider require more than 1 row of fasteners. Therefore, fastener prices double, triple, quadruple, etc. depending upon the number of rows of fasteners across the width of a given assembly. A list of **Fastener Options** are shown on page 2 of this price list. The following chart shows **SS/MS&ES25**:

THRESHOLD WIDTH	# OF FASTENER ROWS	LIST PRICE ADD
2" to 6-7/8"	1 Row	\$1.00 /ft
7" to 12-7/8"	2 Row	\$2.00 /ft
13" to 18-7/8"	3 Row	\$3.00 /ft
19" to 24-7/8"	4 Row	\$4.00 /ft
25" to 30-7/8"	5 Row	\$5.00 /ft
31" to 36-7/8"	6 Row	\$6.00 /ft

Therefore the List Price Adder for **SS/MS&ES25** on one each **MCKR1.750SSA36** is:
 $\$5.00 \text{ (5 rows} \times \$1.00/\text{ft)} \times 3 \text{ (3 feet)} = \$15.00.$

NET PRICE BOOK

FG A-2011

EFFECTIVE DATE:

January 1, 2011

**This book supersedes and takes precedence over any
PRICE BOOK printed prior to this date.**

**Contact McKINNEY PRODUCTS CO. for prices and
availability of non-standard or special items not listed in
this book.**

ACCEPTANCE

McKinney reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, Competitive Price Quotation ("CPQ") requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on McKinney, unless such terms and conditions are approved in a separate written agreement by McKinney authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by McKinney, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between McKinney and the Purchaser.

In the event that McKinney does not enforce or require strict performance of any term or condition hereof, or any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of McKinney to enforce or require strict performance of such term or condition in the future.

PRICES

All prices are subject to change without notice and are not guaranteed. All shipments will be made at prices in effect at the time of shipment.

Possession of this price list does not constitute an agreement to sell.

We reserve the right to correct clerical, stenographic and other obvious errors at any time.

TAXES

If under any law now or hereafter passed the seller is required to pay a tax on sales, or on an excise tax, the amount of these taxes will be added to the invoice value.

DELIVERY

Seller shall not be liable for any delay in delivery, or failure to deliver, due to any cause beyond the Seller's control, including but not limited to fires, floods, strikes, or other labor disputes, accidents to machinery, acts of sabotage, riots, precedence or priorities granted at the request or for the benefit, directly or indirectly, of the federal or any provincial government or any subdivision or agency thereof, delay in transportation or lack of transportation facilities, restrictions imposed by the federal, provincial or other governmental legislation or rules or regulations thereof.

CREDIT

Acceptance of orders and deliveries thereof shall at all times be subject to our approval of credit.

PAYMENT TERMS

Orders based on quotations for specific jobs will be invoiced at prices in effect on the date such orders are accepted. Other orders will be invoiced at prices in effect on the date of shipment.

Errors and omissions are subject to correction on acknowledgement which in all circumstances supercedes all pricing shown herein.

Accounts are net cash 30 days or with 2% discount for cash if paid on or before the 10th of the month following the date of invoice.

A charge of \$50.00 will be made for itemization. A charge of \$25.00 will be made when changes are requested on itemized jobs already processed.

No invoice will be rendered for less than \$50.00 net.

On non-standard items a 5% over or under run constitutes a complete order.

TERMS

It is understood that McKinney may impose and charge a finance charge which is the lesser or one and one-half percent (1-1/2) per month of the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

NOTE: PRICES PER EACH NET

PRODUCT WEIGHT INFORMATION

Weights indicated throughout this price list are approximate for brass, bronze or stainless steel base material. Aluminum base materials weigh approximately 1/3 the listed weights.

WARRANTY

McKinney products are not designed for or intended for aftermarket modification. The warranty on McKinney products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-party electrification of non-electric products and/or the installation of non-approved or non-McKinney components.

If a McKinney product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine McKinney product. A modified product may not be sold as a McKinney product and no McKinney trademarks or certification marks based on the original McKinney product, such as (but not limited to) U.L. or ANSI/BHMA marks, may appear anywhere on the modified product or on any packaging, literature or instructions sold with the modified product.

All original McKinney packaging and literature carries McKinney trademarks and must be destroyed if the original McKinney product is modified. Portions of the product that carry a McKinney trademark or certification mark must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and markings are also the responsibility of the party making the modification. The use of McKinney trademarks on modified products constitutes trademark infringement.

TRADEMARKS

McKinney® is a registered trademark of McKinney Manufacturing Company.

Other product brand names may be trademarks or registered trademarks of their respective owners and are mentioned for reference purpose only.

SHIPMENTS

Once in the hands of the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

All goods are F.O.B. shipping point via the most economical routing, with carrier chosen by us. Full freight prepaid on **shipments within Continental United States** having a net value of \$1250 or more. *Spring Hinges and Contract Hinges may be combined with Continuous Gear Hinges, Threshold, Weatherstrip or Architectural Door Trim to meet freight prepaid.

If a different method of delivery is requested, the purchaser will be responsible for any additional transportation charges.

Shipments by Air, Parcel Post, Bus or Express are F.O.B. factory with no freight allowance. There will be a \$25.00 surcharge on all bus or parcel post shipments. Handling charges on UPS, Air Freight or common carrier shipments may apply.

A charge of \$15.00 will be made for notifying customers 24 hours in advance of a truck delivery.

There will be a \$25.00 charge for furnishing proof of delivery. This charge will be cancelled if delivery was not made.

Orders marked WOG will be held for 10 days after being produced and then shipped unless specifically marked for shipment with another P.O.

CANCELLATIONS

We are unable to accept cancellations or changes on non-stock and special ordered (s/o) items once processing begins. A charge will be assessed based on manufacturing expense incurred.

RETURNED GOODS

No credit will be issued for returned goods unless such return is authorized. If such authorization is given by us, there will be a minimum handling charge of **45% or \$50.00 which ever is greater**, for stock items shipped within a 90 day period from the date of the request. Non stock material (s/o) will be subjected to a minimum of 50% based upon select approval by the factory on an individual basis.

CLAIMS

Inspect before you sign. If there is a shortage or damage, accept shipment only after freight agent makes a damage or shortage notation on your freight bill, bill of lading, or delivery receipt. If damage or loss is evident, **notify your freight agent and request inspection within 10 days of receipt of goods.** Shipments are packed in approved containers. Claims must be made within 30 days of shipment and are subject to approval. Claims made after 30 days will not be honored. Our responsibility for damage, visible or concealed, ceases upon delivery to the transportation company.

SPECIAL PRICE INFORMATION

1. When ordered separately, orders of less than 5 kickplates or less than 3 armor plates are subject to a crating charge of \$11.00 net.
2. Engraving — See SIGNAGE in price list.
3. Finishes, other than shown, on quotation only.
4. Any special items, not listed in price list, by quotation only.
5. For the service of itemizing and marking items by door number, 5% of net invoice will be added to total cost.

ASSA ABLOY, the global leader in door opening solutions

Most of McKinney's products are available in all of the following architectural finishes. The catalog indicates exceptions. This finish list is grouped by base metal.

Base Metal	Description	McKINNEY Code	BHMA Code
Aluminum	Clear Anodized	US28	628
Brass	Polished Clear Coated	US3	605
Brass	Polished No Coating	US3NL*	499
Brass	Satin Clear Coated	US4	606
Brass	Satin Oxidized Relieved	US5	609
Brass	Satin Blackened Relieved	US7*	610
Brass	Polished Chrome Plated	US26	625
Brass	Satin Chrome Plated	US26D	626
Bronze*	Polished Clear Coated	US9	611
Bronze	Satin Clear Coated	US10	612
Bronze	Satin Oxidized Oil Rubbed	US10B	613
Stainless Steel	Polished	US32	629
Stainless Steel	Satin	US32D	630
Stainless Steel	Agion™, Microbial Coating	32DBIO (McKSARGUARD™)**	—

Those finishes with asterisks are considered special processing and are available on request. 313 and 315 finishes are available on limited products. Consult the factory for availability and pricing, the set up charge for a batch is \$189.00 on orders of less than \$1,075.00 of products in 313 and 315.

Consult the factory for availability of lifetime finish.

Antimicrobial Technology: As part of its promise to provide innovative solutions to their customers, ASSA ABLOY Group companies offer MicroShield™ technology, a silver-based antimicrobial coating. McK-SARGuard is part of the MicroShield™ family of antimicrobial products. Specify 32DBIO.

McK-SARGUARD™ products are ideal for installations where vigilance in the war against bacteria and mold is critical, such as hospitals, assisted living facilities, clinics, laboratories, offices, schools, daycare facilities, etc.

Agion™ is a safe and proven non-toxic inorganic antimicrobial compound that incorporates the natural protection of silver. It has been proven to be successful in controlling the spread and growth of many types of bacteria, mold and mildew. Agion™ is incorporated into the McK-SARGUARD coating.

This coating is effective against a broad spectrum of bacteria.

Silver ions are slowly released from the antimicrobial compound to the surface of the treated hardware, inhibiting the growth of destructive microbes. The Agion™ antimicrobial in SARGUARD™ is always working to protect the treated surface. For most types of microorganisms, the majority of contaminant's will be gone in as little as 20 minutes and the SARGUARD™ coating is permanent under normal wear and tear.

The Agion™ antimicrobial is registered with the EPA, the NSF and is even FDA listed for use in medical and food preparation equipment.

The Agion™ antimicrobial is not intended as a substitute for good hygiene. Coated products must still be cleaned to insure the surfaces will be free of destructive microbes. ASSA ABLOY makes no representations or warranties, express or implied, as to the efficacy of the Agion antimicrobial. A copy of the Agion warranty is available upon request.

* On most bronze finishes we will supply solid bronze material. Where solid bronze material is not available, we will use brass as a base material in its place.

**Available on select items as indicated by the finish icon throughout the catalog.

McK-SARGUARD is a registered trademark of the McKINNEY PRODUCTS Company.

Agion is a trademark of Agion Technologies, Inc.

> 24" up to 36" high	9.90*	16.50	44.00	63.80	52.80		19.80	30.80	23.10	44.00
> 36" up to 48" high	9.90*	16.50	49.50	71.50	60.50		19.80	30.80	23.10	44.00

Kick plates are priced for 100 square inches. Fractional sizes must be rounded up to the next even inch on height and next larger whole number on width. Example 7x33½ would price as 8x34.

Lot charges may apply for small runs. Crating charges apply for orders with less than 5 kick plates or less than 3 armor plates. Specify height x width x finish and add any options.

Maximum heights available US26 & US26D = 24"

Options

Part #	Up to 12"H	12" to 48"
3BE	4.40	8.80
4BE	5.50	11.00
CSK	5.50	11.00
SA	15.40	33.00

33" - 40"	18	20	22	24
40" - 48"	20	22	24	26

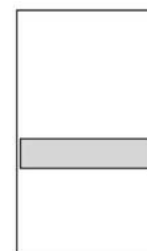

Lot charges may apply for small lots

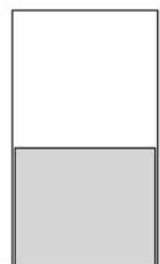

Mop Plate
Up to 8"h x 48"w

Kick Plate
6" to 16"h x 48"w

Stretcher Plate
6" to 12"h and up to 48"w

Armor Plate
Up to 48"h x 48"w

PD-2 Protection Plates & Devices

January 1, 2011

NOTE: Pricing below is per Hundred Square Inches. Refer to "Hundred Square Inch Size Chart" on page PD-1 to calculate the list price of each door plate and other available options. See page FG GEN-7 for special kick plate fasteners. Lot charges may apply for small lots.

KP38 Series Metal Door Plates - .038" Gauge

Height	US32D/630
Up to 48" high	16.50

KP50 & FP50F-UL Series Standard Duty Metal Door Plates - .050" Gauge

To calculate the list price of kick plate, use the hundred square inch number times the list price. Use the next higher even number for odd or fractional sizes. (Example: 9" x 3-3/2" – price as 10" x 34" which is 3.40 square inches.) Take that number times the list price from the following page. (Example: US32D list \$22.00 x 3.40 = \$74.80)

Kick Plate Numbers

Kick Plate	KP50	6" - 16"
Armor Plate	KP50A1	17" - 24"
Armor Plate	KP50A2	25" - 48"
Mop Plate	KP50M	Under 6"
Mop Plate	KP38M	Under 6"
Armor Plate	KP38	17" - 48"
Kick Plate	KP380	6" - 16"
Stretcher Plate	KP50S	6"

KP50 & KP50F-UL Series Custom Size Metal Door Plates - .050" Gauge

See page PD-1 for other options. For fire rated openings order KP50F and add \$16.50 per plate (maximum size 48"h x 46 1/2"w). U.L. APPROVED. Lot charges may apply for small lots.

NOTE: Pricing below is per Hundred Square Inches. Refer to "Hundred Square Inch Size Chart" on page PD-1 to calculate the list price of each door plate and other available options. See page 10 for special kick plate fasteners.

KP125LP Laminate Plastic Door Plates - .125" Gauge

Options

SA - Self-Adhesive Mount
Add \$15.40 up to 12"
Add \$33 up to 48"

Ordering Information

January , 2011

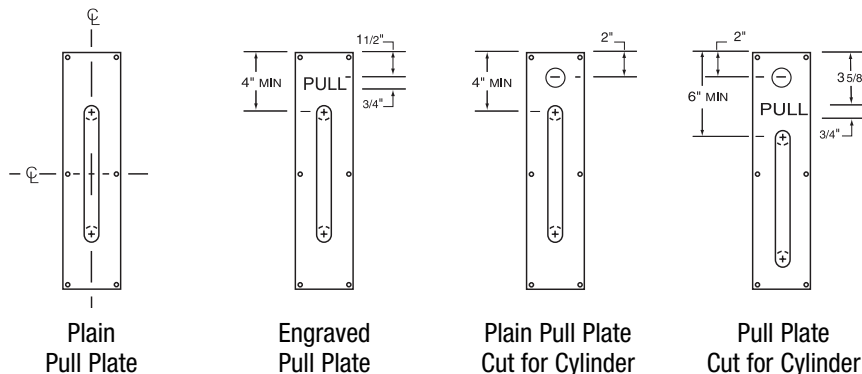

Part #	Description	050 Series	1250 Series
C/C	Cut for Cylinder	2.50	5.50
C/TK	Cut for Turn Knob	2.50	5.50
RC	Round Corner	3.00	3.00

Engraving "Push", "Pull", "Men" or "Women" \$19.80 \$24.20 Stainless Steel
Push Plate Adhesive \$7.70

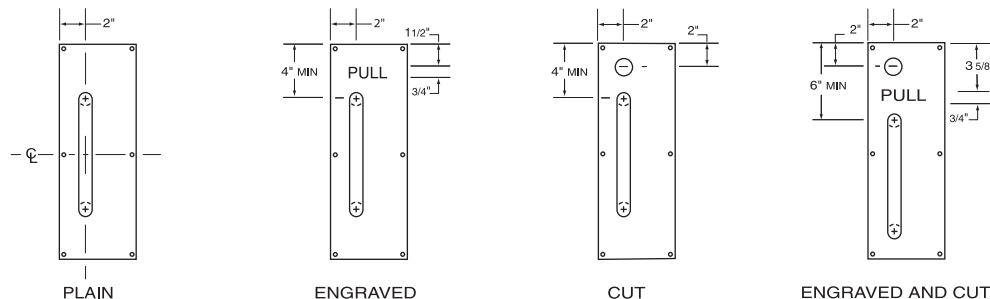

Sizing:

- 1-1/4" standard cylinder hole cutout size, advise location from top of plate down to C/L
- 3/8" diameter standard turn knob advise location from top of plate to C/L
- Other cutout sizes and styles are available as a custom order

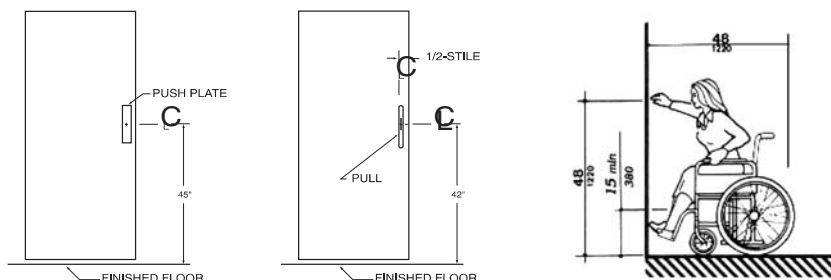

Grip Placement on Plates 4" or Less in Width

Pull Positioning On Plates Wider Than 4" (Handing Required)

Recommended Locations On Door

4.13.9 Door Hardware. Handles, pulls, latches, locks, and other operating devices on accessible doors shall have a shape that is easy to grasp with one hand and does not require tight grasping, tight pinching, or twisting of the wrist to operate. Lever-operated mechanisms, push-type mechanisms, and U-shaped handles are acceptable designs. When sliding doors are fully open, operating hardware shall be exposed and usable from both sides. Hardware required for accessible door passage shall be mounted no higher than 48 in. (1220 mm) above finished floor.

Location Standards

NOTE: Be sure the pull you choose will fit on the plate.

Push Plates, Pulls & Pull Plates Offset Door Pulls Mounting Details

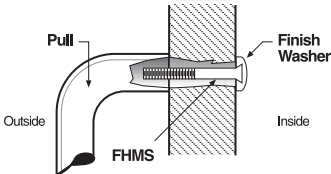

Offset Door Pulls Mounting Details

NOTE: Base plates are recommended on wood or glass doors to make a stable and durable mounting. See page PB-8 for base plate information.

NOTE: Heavy Duty (HD/XHD) mounting features hex drive for positive tightening and large overall size for superior strength. Recommended for high frequency and rough service openings.

Thru Bolt

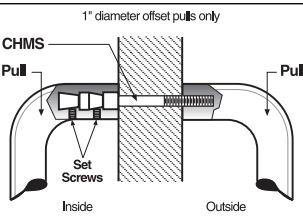

Wood or Metal Door - Type 1
