Guarantee

All ETI products are guaranteed against defects in material or workmanship. ETI does not, however, guarantee its products against defects due to improper installation or alteration, the failure to perform due to improper maintenance or uses for which they were not designed.

ETI's only obligation under this guarantee is to repair or replace any of its products assessed by ETI to be defective in material and workmanship after such product is returned to ETI within 36 MONTHS or other posted limits of purchase date by the original purchaser free and clear of all open invoices, liens and encumbrances, along with proof of purchase and with shipping charges prepaid.

ETI disclaims all liability for consequential, incidental or special damages or lost profits or savings, even if ETI is aware of the possibility thereof, arising out of the purchase or use of products by buyer. Therefore, all involved functions of distribution and installation of ETI products are responsible for communicating this guarantee and the policies within.

ETI PRODUCTS

Terms & Conditions

JULY 2013

Conditions

The following Terms and Conditions ("Terms") apply to the sale by ETI Products ("ETI") of ETI products and services ("ETI products"). All transactions are subject to the latest published Terms except to the extent modified by a written agreement between the purchaser and ETI executed prior to an accepted order. The purchaser agrees that ETI's acceptance of any purchase order delivered by purchaser is subject to and conditioned upon these Terms. Purchase orders, quotation requests, or acknowledgements which have clauses contrary to these Terms are not binding on ETI, unless specifically approved in writing by an authorized agent of ETI. No order shall be binding on ETI until received and approved by ETI. ETI expressly reserves the right to correct clerical, stenographic, and other obvious errors at any time.

Pricing

All prices are subject to change without notice. No prices are guaranteed. All shipments will be made at prices prevailing at the time of acknowledgment.

Payment Terms

Standard terms are net 30 days of invoice date.

Credit Terms

Credit terms must be established by completing an ETI credit application and submitting it to ETI for approval. Accounts not paid within 30 days of the date of the invoice will be considered past due, with interest accruing at 2% per month beginning on the 31st day after the date of the invoice. An order received on an account which has not been paid within 45 days from the date of invoice will not be processed until the account is current. An account remaining unpaid 60 days after the date of the invoice may be referred for collection and credit will be cancelled. ETI reserves the right to revoke any credit extended to a purchaser because of purchaser's failure to pay for any goods when due or for any other reason deemed good and sufficient by ETI, and in such event all subsequent shipments shall be paid for on delivery.

Freight Terms

All goods are delivered for shipment from the ETI plant in Placitas, New Mexico. Purchaser agrees to pay the trucking, railway and freight charges on the goods from the point of shipment to the destination. Purchaser assumes the risk of loss or damage to the goods while in transit from the point of shipment.

Delivery

Delivery is contingent upon conditions at time of order and is subject to change. ETI shall not be liable for failure or delay in shipping goods if such failure or delay is due to an act of God, war, labor difficulties, accident, inability to obtain containers or raw materials, or any other causes. Any claims of shortages must be made within 30 days of shipment and are subject to approval. ETI reserves the right to make delivery in installments. Installments shall be separately invoiced and paid for when due, without regard to subsequent deliveries. Delay in delivery of an installment shall not relieve the purchaser of its obligation to accept remaining deliveries.

Changes & Cancellations

Changes to or cancellations of orders must be made in writing and delivered by email, fax or regular mail. Cancellations made after ETI has issued an order acknowledgment are subject to ETI approval, and are subject to a \$25 processing fee in addition to any cost incurred by ETI as a result of the original order.
