Reference Guide

Antique Brass (AB) US-5 Bright Brass (BB) US-3 Bright Chrome (BC) US-26 Jet Black (JB) Oil Rubbed Bronze (OB) US-10B Satin Nickel (SN) US-15 White (WH) Satin Chrome (SC) US-26 & Marine Grade(MG)*

* Many products are offered in the **Marine Grade (MG)** finish, which is designed to extend the lifetime of the finish when exposed to corrosive elements of saltwater environments. It closely resembles the Satin Chrome finish.

- Many LockeyUSA products are available in **Double Combination (DC)**. DC locks have a combination body on both the interior and exterior and require a code to unlock from both interior and exterior.

- All Lockey KEYLESS locks come with a **Lifetime Mechanical Warranty**.
- Warranty statement available at LockeyUSA.com/Warranty. Warranty does not cover the finish.
- Lockey KEYLESS locks are **weather resistant**.
- LockeyUSA is a manufacturer and sells through distribution. Learn more at LockeyUSA.com/distributors.

E-Digital Series
