INTRODUCTION

Hager Companies offers a variety of locks to meet a wide range of applications and solutions. Heavy Duty Grade 1 deadlocks, cylindrical locks, and mortise locks are ideal for schools, hospitals, and other high-use environments. Grade 2 deadlocks and cylindrical locks are ideal for less abusive environments, while Grade 2 tubular locks are suitable for heavy duty residential or medium duty commercial environments.

All Hager locks have been rigorously tested and certified to the highest standards. Each lock series is BHMA certified ANSI A156.2 to the grade specified. They are also UL/cUL Listed for all functions up to and including 3 hours for "A" labeled doors. In addition to the certifications, all Hager leversets are ADA compliant and most come with a lifetime warranty.

Hager locksets are either non-handed or field reversible in the case of the 3800 Series mortise lock. Conventional cylinder and small format interchangeable core housings are also available on keyed functions. Most lock series offer three lever style options along with one knob style. Please check appropriate section for series specific options.

LEAD TIMES

Products identified on the Quick Ship list will ship within 3 business days. These products will be denoted on the stock number list at the end of the commercial lock pricing section in **bold and red**.

Stock items will typically ship within 5-10 business days and the anticipated ship date will be included with each order acknowledgement.

Non-stock items will typically ship within 10 business days depending on seasonal volume and order complexity. The anticipated ship date will be included with each order acknowledgement. Order tracking is also available online through MyHager.

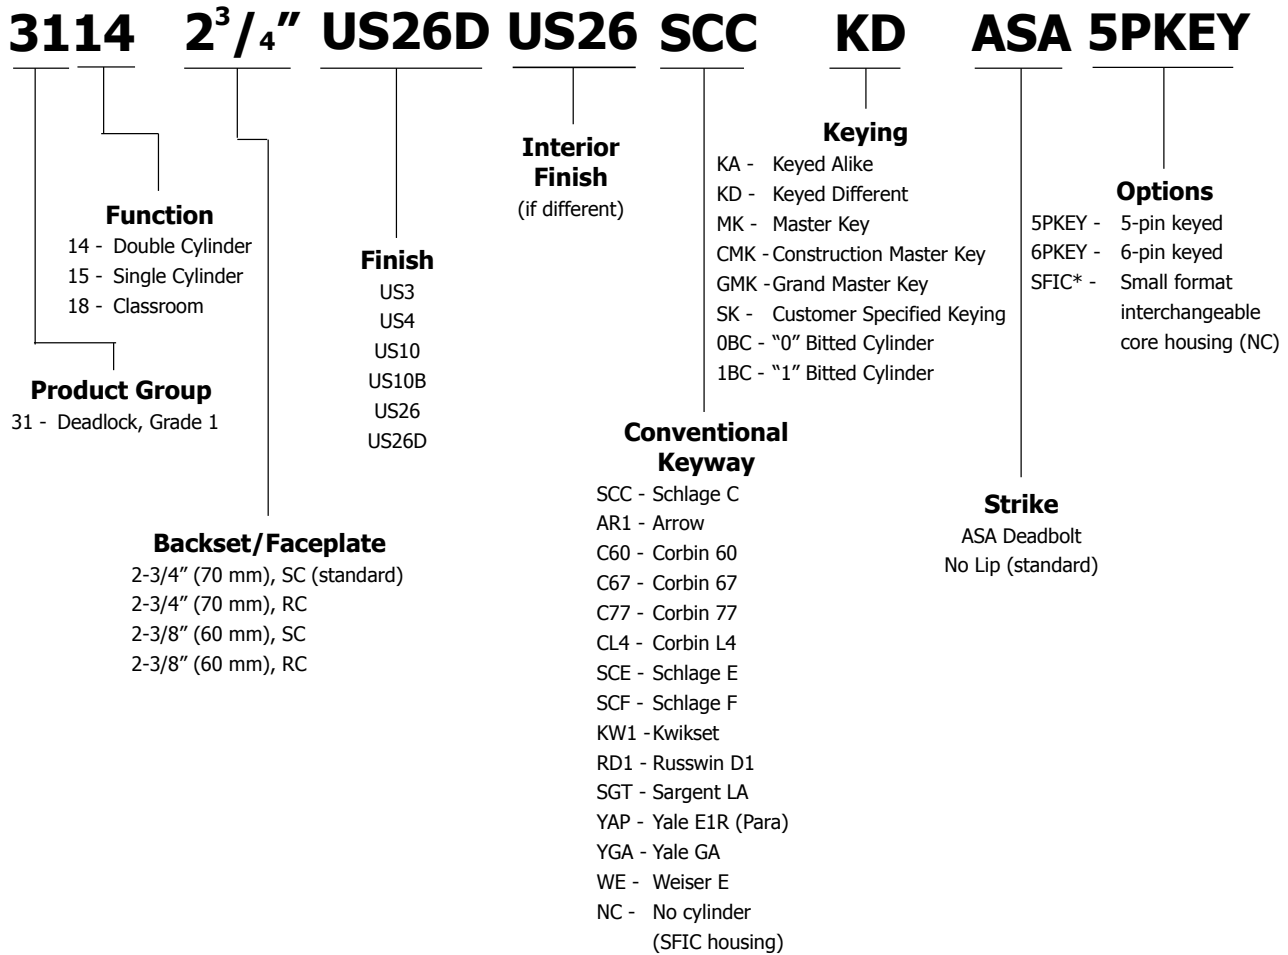

Custom orders that require a request for quote are subject to longer lead times.

Non-master keyed orders will be subject to standard lead time and process for stock orders.

Master keyed orders will be processed in 10 working days after receipt of all appropriate information and paperwork.

HOW TO ORDER EXAMPLE

Notes:

1. If master-keyed, include master key instruction sheet with order (available on page 69 or online).
2. For additional keying information, please refer to cylinder, core, and keying section of catalog.

* Small format interchangeable core sold separately. Available in Best Keyways only, A Standard.
