Simple, Adjustable Installation

- Horizontally adjustable mounting foot, mounting plate, and rim exit strike plates
- Adhesive templates to assist device mounting and reduce installation time

Flexible

- Universal hardware kit for common door types
- Easily cut to length in field
- End caps with 1/4" cut coverage

Superior User Experience

- Impact bumpers, horizontal and vertical guides, and return control reduce sound and provide smoother operation

Beautiful Aesthetics

- Modern, contoured design with matching metal end caps
- No visible hardware from back once installed
- Complementary Adams Rite trim available

Support

- World class technical support, customer service, and training
- Download the free BILT app for 3D step-by-step install instructions for EX88, EX89, and EX76

For easy 3D instructions, download the BILT mobile app
