# BLSS Trim

## Behavioral Health Series®

The Corbin Russwin BLSS trim is part of the Behavioral Health Series® of products. With an array of functions, this trim can be used on virtually any opening in healthcare environments. Sloping surfaces and overlapping rose and lever address safety concerns common in behavioral health facilities. Perfect for tough environments, the BLSS trim uses the Corbin Russwin ML2000 Series mortise lock, providing impressive strength and reliability.

Experience a safer  
and more open world

# BLSS Trim

## Behavioral Health Series®

### TARGET APPLICATIONS

- Behavioral Health Units
- Patient Room Doors
- De-escalation Rooms
- Psychiatric Facilities
- Assisted Living Facilities

### Features

- Overlapping lever and rose construction
- Uses the ANSI/BHMA Grade 1 ML2000 Series mortise lock
- Available in 20 functions, including Institutional/Utility (ANSI F30), Institutional Privacy (ANSI F26), and 5 electromechanical functions.
- Uses standard mortise prep
- Stainless Steel finishes (629, 630) standard; MicroShield® antimicrobial coating optional
- Matching behavioral health thumbturn available
- UL Listed for use with Fire Rated doors
- ADA Compliant
- Freewheeling lever rotates 45° up and down

### Benefits

- Strong and durable: lock exceeds ANSI/BHMA Grade 1 requirements to withstand abusive environments
- Flexible: 20 functions, including electrified; can be used on many opening types
- Minimizes risk: Sloped surfaces and overlapping rose with lever address common concerns in behavioral health environments; available with MicroShield® antimicrobial coating
- Simple retrofit: Upgrade existing openings easily; uses standard mortise door prep

### Other Products in Behavioral Health Series:

BHSS Trim

HSS Knob

HPSK Trim

#### MicroShield®

As part of their promise to provide innovative solutions to their customers, certain ASSA ABLOY Group brands offer the MicroShield® technology, registered with the EPA and FDA. MicroShield® is a silver-based antimicrobial coating designed to inhibit the growth of bacteria. MicroShield® is a registered trademark of Yale Security Inc., an ASSA ABLOY Group company.

Note: Although these products are better designed for behavior health applications than traditional trim, they do not eliminate the risk that an object can be affixed to, or around them.
