COMMAND ACCESS TERMS

PRICES: All list prices are subject to change without prior notice and are not guaranteed. All prices are per unit (each) unless otherwise specified and do not include sales or local taxes. All shipments will be made at prices prevailing at time of shipment.

EXPEDITE FEE: A customer may request that an order be expedited. An additional charge of up to 25% of the cost of the expedited items may be charged. Expedite lead times are subject to availability. Please call for approval.

PAYMENT TERMS: The standard credit terms of Command Access Technologies (herein called CAT) are 2% 10 days net 30. Net 30 means the check shall be received at CAT on or before 30 days from the date of the invoice. Interest will be charged at the rate of 2% per month on past due accounts.

ACCEPTANCE OF ORDERS AND/OR QUOTATIONS: Possession of prices from CAT does not commit CAT to accept any order. CAT reserves the right to refuse any order and will not be bound to fulfill any order until it has been accepted by a representative of CAT and confirmed by a written acknowledgement. Quotations are valid for thirty (30) days following the date of the quotation.

OPEN ACCOUNT STATUS: CAT reserves the right to decline or discontinue direct sales to any customer who does not meet an annual minimum sales requirement of **\$10,000.00** in invoiced purchases.

ACKNOWLEDGEMENTS: An acknowledgement is an exact copy of a customer's order as entered by CAT and should be verified by the customer. If the acknowledgement does not agree with said customer's understanding CAT should be advised within (3) three days or the order will be billed as acknowledged. CAT's sales terms shall apply irrespective of any special stipulation appearing in customer order, unless specifically acknowledged and accepted by CAT.

RETURNED GOODS: The customer must advise customer service at CAT of merchandise to be returned and a Returned Goods Authorization (RGA) will be issued. CAT will not accept goods returned without an RGA. Full credit against further purchases or a replacement will be made at the option of CAT if upon investigation reveals that goods were shipped in error or if goods are defective in workmanship or material. Otherwise, a restocking fee of not less than (25) twenty-five percent will be charged. All merchandise must be PREPAID AND PROPERLY PACKED. All C.O.D. orders shipped to CAT will be refused. Returned goods must be packed in their original boxes. If product has been installed it cannot be returned but only repaired, please consult factory for repair costs (unless under warranty). No credit will be given for product not in its original form unless, upon CAT's inspection, product is found to be defective. If product is returned as defective and is found to be operational, product will be returned to customer (C.O.D.) and no credit will be issued.

MINIMUM CHARGE: No order will be invoiced for less than \$25.00 net plus shipping charges.

CHANGES OR CANCELLATIONS: When a special order is accepted, and entered, no change can be made and the order is non-cancellable. Cancellation for items already packed for shipment will be removed if possible. A twenty-five percent (25%) restocking fee will apply.

CLAIMS OR SHORTAGES: Every possible care is taken in the final examination of packing of goods, and no complaints will be accepted unless made promptly upon receipt of goods. No claim will be allowed for work done by others, consequential damages or other expenditure, and CAT's understanding to repair or replace defective goods is its only liability. No claim for damage shortage or loss in transit will be accepted unless notice is given in writing to the carrier and to CAT within (10) ten days of receipt of goods.

BACK CHARGES: CAT is not responsible for, does not authorize, and will not accept any charges for the cost of labor, travel or material incurred by anyone other than CAT for any installation, repair, service, or replacement unless incurred with CAT's prior written consent and agreement.

FREIGHT CHARGES: All goods are invoiced F.O.B. CAT, Yorba Linda, California. Freight charges are prepaid and are added to invoice. Consignee pays C.O.D. freight charges when delivered to the Freight Company the shipment becomes the property of the purchaser, who assumes the risk of loss or damage in transit. If invoice exceeds \$1,000.00 net, full service freight by UPS or our choice within the continental U.S.A. (excluding Hawaii, Alaska, Guam & Puerto Rico) is deductible, provided invoice is paid within set terms. Not all products qualify for freight deduction. Airfreight and other special shipments are not deductible. CAT does not ship to directly to Canada, for all Canadian destinations please contact Connection Network Agencies at 905-823-3002.

PRODUCT CHANGES OR CANCELLATIONS: CAT reserves the right to modify or discontinue any price, product, design, function and finish without prior notice.

PRODUCT FINISHES: Although CAT modifies products with the finest protective coatings, they do have their limitations. In time, they might deteriorate from extremes in climate, frequency of use, perspiration, or other factors. CAT does not consider excessive wear or tarnishing of the finish because of any of the above conditions as a defect. It is considered a normal process, which cannot be avoided. Thus, CAT cannot guarantee product finishes and will not repair or replace finishes under this warranty.

WHAT ALWAYS HERE TO HELP MEANS...

- WE ANSWER THE PHONE WITH A **LIVE VOICE**, MONDAY THRU FRIDAY 7:30AM - 4:00PM PST
- OUR CUSTOMER SERVICE DEPARTMENT STRIVES TO **DELIVER EXCELLENT CUSTOMER SATISFACTION**
- OUR **LIVE CHAT** IS OPERATED BY OUR CUSTOMER SERVICE TEAM MAKING IT EASY TO GET A HOLD OF US, ESPECIALLY IF YOU LIKE TO MULTI-TASK
- OUR **LEAD TIMES ARE 5-10 DAYS** FOR CATALOGED ITEMS. IF WE CAN SHIP SOONER, WE WILL SURE TRY!
- IF WE MAKE A MISTAKE, WE ARE COMMITTED TO MAKING IT RIGHT
- OUR WEBSITE IS USER FRIENDLY AND EXPANDING DAILY WITH INFORMATION & DEMONSTRATION VIDEOS
- WE HAVE COMPETENT, REACHABLE TECHNICAL SUPPORT EVERYDAY DURING BUSINESS HOURS
- ANYONE WHO NEEDS OUR SUPPORT GETS IT
- WE ARE WILLING TO TRAIN ON SITE, AT YOUR CUSTOMERS OR VIA WEBINAR
- WE TAKE GOOD MECHANICAL PRODUCTS & MAKE THEM BETTER ELECTROMECHANICAL PRODUCTS
- WE WILL SHIP REPLACEMENT PRODUCTS AS SOON AS POSSIBLE, USUALLY WITHIN THE NEXT BUSINESS DAY
- WE STRIVE TO ACKNOWLEDGE YOUR ORDER WITHIN 24 HOURS
- ALL OF OUR DOCUMENTS, INCLUDING ACKNOWLEDGMENTS, INVOICES, STATEMENTS, AND RMA'S WILL BE EMAILED

NO HASSLE 3 YEAR WARRANTY

LIMITED WARRANTY: Command Access Technologies warrants that its products are free from defects in workmanship and material under normal use and service. Since CAT does not control product usage, CAT makes no representation as to the degree of security conveyed by the use of any product. This warranty does not cover defects or damage which occur from improper maintenance, improper storage, improper installation, shipping and handling, ordinary wear and tear, misuse, abuse, accidents, unauthorized service, work done by others or consequential damages. CAT will not pay for the cost of repair performed other than in accordance with this warranty. CAT can only perform authorized warranty work at the factory. CAT's only liability, in tort or

contract, whether under this warranty or otherwise, is limited to providing repair or replacement of any product or component part which is proven to be defective as covered by the warranty, within three (3) years after delivery from CAT to the original purchaser. Written notice of a product or component part believed to be defective, as covered by this warranty, should be sent to Command Access Technologies 22901 La Palma Avenue, Yorba Linda, CA 92887. Include Claimant's name, address, phone, and identification of the product, invoice number and date, and a brief description of the defect. Upon receipt of such notice, a CAT representative will contact claimants to where to ship such product or component part, with shipping charges prepaid, for examination and, in the event such examination reveals a defect covered by this warranty, the product will be repaired (existing product installed 6+ months) or replaced (all new installations of 6 months or less). This warranty is in lieu of all other express warranties. To the extent permitted by law, all implied warranties are limited to the duration of this warranty. CAT shall not be liable for any incident or consequential damages. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary, from state to state.

ELECTRIFIED MORTISE LOCKS

FOR MODIFICATION, CHASSIS ONLY AND COMPLETE LOCKS

PREFIX or SUFFIX

MD - Modification - Prefix
CH - Chassis Only - Suffix

MODEL + FUNCTION

Select a model number and add
EL (Fail Safe) - Electronically Locked
EU (Fail Secure) - Electronically Unlocked

VOLTAGE

12 or 24 Volts must be specified
Motorized = Universal Input 11-30V

OPTIONAL SWITCHES

REX - Request-to-Exit DBM - Deadbolt Monitor
DPS - Door Position Switch
LBM - Latchbolt Monitor

M-OPTION FOR MORTISE LOCK

For Command Access & Schlage model #s only.

- Intelligent auto voltage sensing 11-30 VDC
- Extremely low holding current = motorized
- Field selectable EU/EL with press of a button

POWER SUPPLIES

UL294 6TH EDITION LISTING

PS210	PS204/204B	
PS220/220B		
PS440B		
PS480B		

POWER SUPPLIES FOR ALL LATCH PULLBACK/EXIT DEVICES

PS210	1.5A, 24V regulated PS w/boost circuitry for up to (2) electric latch pullback devices. Includes (1) solid state input/output	\$310
PS220	2A, 24V regulated PS w/boost circuitry for up to (2) electric latch pullback devices. Includes (2) solid state inputs/outputs and a fire alarm link. (1) 24VDC Power Tap	\$375
PS220B	2A, 24V regulated PS w/boost circuitry for up to (2) electric latch pullback devices. Includes (2) solid state inputs/outputs, battery charging circuit, and a fire alarm link. (1) 24VDC Power Tap. Battery Back-up	\$440
PS440B	4A, 24V regulated PS w/boost circuitry is capable of powering up to (4) electric latch pullback devices. Includes (4) solid state inputs/outputs, battery charging circuit, and a fire alarm link. Battery Back-up	\$495
PS480B	4A, 24V regulated PS w/boost circuitry for up to (8) electric latch pullback devices. Includes (8) solid state inputs/outputs, battery charging circuit, and a fire alarm link. Battery Back-up	\$541

POWER SUPPLIES FOR MOTORIZED LATCH RETRACTION, MORTISE/CYLINDRICAL LOCK, & EXIT TRIM

PS204	2A, 24V regulated PS w/boost circuitry for up to (4) MOTORIZED electric latch pullback devices. Includes (4) solid state inputs/outputs, and a fire alarm link	\$352
PS204B	2A, 24V regulated PS w/boost circuitry for up to (4) MOTORIZED electric latch pullback devices. Includes (4) solid state inputs/outputs, and a fire alarm link. Battery Back-up	\$400

POWER SUPPLIES & AUXILIARY BOARDS

PS1-B0	Board Only to replace PS1 - 1A, 24V regulated power supply	\$244
PS-OP-2	Replacement Relay Board for PS202/202B/220/220B (Specify Series)	\$207
PS-OP-4	Replacement Relay Board for PS204/204B/440B (Specify Series)	\$218
PS-OP-8	Replacement Relay Board for PS480B	\$230
SW3	2.4A 27VDC regulated power supply w/ (3) non-fused outputs for electric strikes, mortise locks and cylindrical locks. **NOT UL**	\$200
BB12V7	Set of (2) 12VDC 7AH Batteries for Power Supplies with Battery Back-Up	\$160
CAMLCK-PS	Cam Lock For Command Power Supplies	\$20

LOCKING HARDWARE AUTO-OPERATOR - COMING SOON!

Heavy Duty Auto-Operator - On-Board door sequencing, Push To Learn, & locking hardware power tap.

CATHD0100-PUSH	Command Heavy Duty Locking Hardware Auto-Operator 39" -Alum/Duro/Black - Push Arm - Handing Reversible	-
CATHD0100-PULL	Command Heavy Duty Locking Hardware Auto-Operator 39" -Alum/Duro/Black - Pull Arm - Handing Reversible	-

*For Double Doors with single header, double single unit price.

MODULES & ACCESSORIES

POWER SUPPLY ACCESSORIES

DS1+	Door Sequencer	\$175
DS1-X	Door Sequencer	\$200
VD2-873	Replacement Relay Board for Von Duprin PS873 (871-2 board)	\$200
VD2-914	Replacement Relay Board for Von Duprin PS914 (2RS board)	\$200

POWER ACCESSORIES

CAT FT	COMPLETE FIELD TESTER, specify battery (DeWalt, Makita, Milwaukee)	\$226
CAT FT ATTACHMENT	Replacement Battery Attachment, specify battery (DeWalt, Makita, Milwaukee)	\$30
PM300	Power Module for Solenoids powered by DC Power sources	\$210
PM300-D	Power Module for Solenoids powered by DC Power sources w/ built-in .5 second delay	\$210
PM300-AC	Power Module for Solenoids powered by AC Power sources	\$210
PM300-ACD	Power Module for Solenoids powered by AC Power sources w/ built-in .5 second delay	\$210
CRU	Current Reduction Unit for solenoid powered Mortise & Cylindrical locks, Strikes & Exit Trim	\$39
POD Module	Power ON Delay Module - In-Line module allows for .5-5 second delay in activation	\$48
VC3024	Voltage Converter 30VDC to 24VDC	\$48
VC2412	Voltage Converter 24VDC to 12VDC	\$48

SWITCH ACCESSORIES

CAT-AIR-REX	Active Infrared Request to Exit	\$235
IDPS1	Independent DPS switch installs in frame & alum (wood, hollow metal, & FRP)	\$33
IDPS2	Independent High Security DPS switch installs in frame & alum (wood, hollow metal, & FRP)	\$44
IDPSSC-1	Vandal Resistance Independent Concealed Magnetic Contact switch DPS switch installs in frame & alum (wood, hollow metal, & FRP)	\$90
CAT-IVES-DP2	IVES Dust Proof Strike w/ Internal DPS	\$160
