MARSHALL BEST SECURITY
LIST PRICELIST #10B

1. **Prices** – THIS PRICE LIST SUPERSEDES ALL PREVIOUS PRICE LISTS. All prices may be changed without notice. All key operated lock prices DO NOT INCLUDE I/C or non I/C core(s) and keys. Prices DO NOT INCLUDE freight, special communications or insurance. International sales are accepted with a confirmed irrevocable letter of credit.

2. **Terms** – Thirty (30) days net for open accounts. Past due accounts are subject to a finance charge on invoices over thirty (30) days old.

3. **Orders** – All orders and contracts are subject to acceptance at the time received. Acceptance is indicated by the issuance of an order acknowledgment which must agree with the customer's purchase order. Prices will be honored on written quotations if the orders are received with thirty (30) days of the quotation. All agreements are contingent upon acts of God or circumstances beyond our control.

Any additional provisions in a Purchase Order, including any pre-printed terms, shall be void and not binding on Marshall Best Security, unLess expressly accepted by Marshall Best Security. For greater certainty, the acceptance by Marshall Best Security of a Purchase Order shall not be deemed acceptance of the additional terms of such Purchase Order.

4. **Delivery & Shipping Charges** – Shipping dates cannot be guaranteed and partial shipments will be made unLess the order indicates they are not allowed. All prices shown are F.O.B Destination, freight prepaid and added to invoice. Marshall Best Security shall be deemed to have delivered all Products and related goods when such are put in the custody of a carrier at MBS' plant or warehouse, at which time all title, risk of loss or damage shall pass to Customer. Responsibility will not be accepted for damages or pilferage. All claims should be submitted with proper documents to the delivering carrier. All shipments will be made in accordance with the preferred routing, carrier assignments, and operational guidelines of MBS. Customer shall bear all costs of freight, insurance and associated costs and shall make all arrangements for same.

5. **Cancellation and Change Charges** – Any cancellation or change to an order for standard (or stocked) material may be subject to an additional charge of 30% net. Orders for special quoted projects and/or custom designed goods not immediately saleable to another customer are not changeable, cancelable, or returnable.

6. **Rush Charges** – When orders must be expedited faster than our normal lead times, they are subject to a rush charge. Rush charges will be calculated based on the cost incurred to expedite the order and the customer will be informed of any extra cost at the time the order is placed.

7. **Returns, Allowances, and Back Charges** – Customer has up to 45 days from the invoice date to return goods. Authorized returns will receive credit against future purchases. Returned materials must be authorized by Marshall Best Security prior to shipment to our plant. All return shipments must have transportation charges prepaid by the customer. All authorized returns must be in resalable condition when received and will be subject to a restocking fee of 30%. Product not returned in saleable condition will have no credit issued. Back charges will not be approved for any repair or replacement unLess approved in writing in advance.

8. **Construction Cores** – All MBS SFIC Interchangeable core locks can be ordered with temporary construction cores. Construction cores are intended for use in restriction access to facilities during the construction period and are not intended to secure a facility when construction is complete. These cores are keyed alike and color coded. SFIC Construction cores add \$22.00 to the net price of a lock less core. See the specific lock section for detailed ordering instructions. Temporary SFIC construction cores are supplied with one key per ten cores, one control key per twenty cores. Additional construction keys and control keys to remove the cores must be ordered separately. Construction Cores are nonreturnable.

9. **Masterkeying and Security Material** – MBS independent representatives will work with the customer to develop a customized keying system. All masterkey codes generated will remain the property of MBS and will be securely stored and encrypted to maintain confidentiality. Masterkeyed product may be ordered using industry standard key symbols.

The value-added service of a customized SFIC masterkey system is included at no additional charge with the purchase of a complete MBS lock. A masterkey service charge may be assessed, based on quantity, for each incomplete order. An incomplete order includes MBS cylinders or cores for use in non-MBS manufactured locks for which MBS has an equivalent product.

10. **Installation and Use** – Installation instructions for any Marshall Best Security product should be carefully followed so it can operate properly. Malfunction may result from improper installation. Specifying locksets that secure both sides of a door requires reference to the applicable Building Code and the Life Safety Code. Delay in unlocking for an emergency could be fatal.

11. **Limited Product Warranties** – Effective as of September 15, 2017, this statement replaces on a going-forward basis all previous statements regarding any warranties related to the following products and confirms the limited warranty on the following products (each a "Product" and collectively, the "Products") with the
