Acoustic Corner Pad

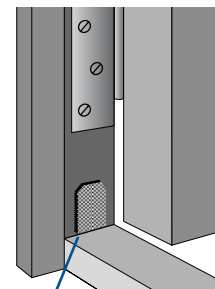

- The ACP112 Acoustic Corner Pad helps seal the door opening against light, air and sound infiltration.
- Approved under ASTM E90 and BS EN ISO 140-3 for sound control when used with a Pemko door shoe or Pemko automatic door bottom.
- Ideal for any application where sound attenuation is required. Maintains the integrity of a sound-rated door.
- The ACP112 is adhesive-backed and is easy to install. No mechanical fasteners are required.

ACP112 

AVAILABLE COLORS: BL, W

APPLICATION DETAIL

ACP112 installed on hinge side of jamb.
