McKinney is a brand associated with Corbin Russwin, Inc., an ASSA ABLOY Group company. Copyright © 2012-2017, Corbin Russwin, Inc. All rights reserved. Reproduction in whole or in part without the express written permission of Corbin Russwin, Inc. is prohibited.

ACCEPTANCE

We reserve the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, Competitive Price Quotation ("CPQ") requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding unless such terms and conditions are approved in a separate written agreement by authorized representatives. In the event of an acceptance of Purchaser's Purchase Order the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between McKinney and the Purchaser.

In the event that McKinney does not enforce or require strict performance of any term or condition hereof, or any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right to enforce or require strict performance of such term or condition in the future.

PRICES

All prices are subject to change without notice and are not guaranteed. All shipments will be made at prices in effect at the time of shipment.

Possession of this price list does not constitute an agreement to sell.

We reserve the right to correct clerical, stenographic and other obvious errors at any time.

TAXES

If under any law now or hereafter passed the seller is required to pay a tax on sales, or on an excise tax, the amount of these taxes will be added to the invoice value.

QUOTATIONS

Complete shipment of the order must be accepted by Purchaser within normal lead times.

The QUOTE number must be referenced on the order.

Any invoiced order that has the incorrect discount applied to it and did not have a QUOTE copy attached to the order or the QUOTE number written on the order will have a service fee of \$100.00 net DEDUCTED from any sales credit issued for the difference in discount.

The QUOTE is null and void if the Purchase Order does not include **ALL** product lines listed on the QUOTE or if the quantities for an item covered by the QUOTE deviate by **10%** or more.

DELIVERY

Seller shall not be liable for any delay in delivery, or failure to deliver, due to any cause beyond the Seller's control, including but not limited to fires, floods, strikes, or other labor disputes, accidents to machinery, acts of sabotage, riots, precedence or priorities granted at the request or for the benefit, directly or indirectly, of the federal or any provincial government or any subdivision or agency thereof, delay in transportation or lack of transportation facilities, restrictions imposed by the federal, provincial or other governmental legislation or rules or regulations thereof.

CREDIT

Acceptance of orders and deliveries thereof shall at all times be subject to our approval of credit.

PAYMENT TERMS

Orders based on quotations for specific jobs will be invoiced at prices in effect on the date such orders are accepted. Other orders will be invoiced at prices in effect on the date of shipment.

Errors and omissions are subject to correction on acknowledgement which in all circumstances supercedes all pricing shown herein.

Accounts are net cash 20 days or with 2% discount for cash if paid on or before the 10th of the month following the date of invoice.

A charge of \$50.00 will be made for itemization. A charge of \$25.00 will be made when changes are requested on itemized jobs already processed.

No invoice will be rendered for less than \$50.00 net.

On non-standard items a 5% over or under run constitutes a complete order.

TERMS OF 2% 10TH PROX.,
NET 20TH WILL BE ALLOWED.

It is understood that a finance charge may be imposed which is the lesser or one and one-half percent (1½) per month of the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

NOTE: PRICES PER EACH NET PRODUCT WEIGHT INFORMATION

Weights indicated throughout this price list are approximate for brass, bronze or stainless steel base material. Aluminum base materials weigh approximately 1/3 the listed weights.

WARRANTY

McKinney products are not designed for or intended for aftermarket modification. The warranty on McKinney products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-party electrification of non-electric products and/or the installation of non-approved or non-McKinney components.

If a McKinney product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine McKinney product. A modified product may not be sold as a McKinney product and no McKinney trademarks or certification marks based on the original McKinney product, such as (but not limited to) U.L. or ANSI/BHMA marks, may appear anywhere on the modified product or on any packaging, literature or instructions sold with the modified product.

ASSA ABLOY

The global leader in
door opening solutions **GEN-1**

All original McKinney packaging and literature carries McKinney trademarks and must be destroyed if the original McKinney product is modified. Portions of the product that carry a McKinney trademark or certification mark must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and markings are also the responsibility of the party making the modification. The use of McKinney trademarks on modified products constitutes trademark infringement.

SHIPMENTS

Once in the hands of the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

All goods are F.O.B. shipping point via the most economical routing, with carrier chosen by us. Full freight prepaid on shipments within Continental United States having a net value of \$1,000 or more. For shipments to Alaska and Hawaii on net orders of \$1,350.00 or more, freight will be pre-paid the most economical way. All shipments that exceed 108-inches in packaged length must be shipped LTL.

The acknowledged ship date is based upon inventory availability. We will notify you if there is a longer lead time or a back order. We will not be responsible for paying expedited shipping expenses relating to delays or buyer back charges associated with these delays.

Shipments by Air, Parcel Post, Bus or Express are F.O.B. factory with no freight allowance. There will be a \$25.00 surcharge on all bus or parcel post shipments. Handling charges on UPS, Air Freight or common carrier shipments may apply.

A charge of \$15.00 will be made for notifying customers 24 hours in advance of a truck delivery.

There will be a \$25.00 charge for furnishing proof of delivery. This charge will be cancelled if delivery was not made.

Orders marked WOG will be held for 10 days after being produced and then shipped unless specifically marked for shipment with another P.O.

If You have chosen to participate in our WOG program, a signed agreement must be on file. Orders will be held for a maximum of thirty (30) days. After such time, if pre-paid freight minimums have not been met, orders will be shipped the most economical way at the customer's cost. All orders for WOG customers will be held with other goods unless specified on each Purchase Order.

CANCELLATIONS

We are unable to accept cancellations or changes on non-stock and special ordered (s/o) items once processing begins. A charge will be assessed based on manufacturing expense incurred.

RETURNED GOODS

No credit will be issued for returned goods unless such return is authorized. If such authorization is given by us, there will be a minimum handling charge of 45% or \$50.00 which ever is greater, for stock items shipped within a 90 day period from the date of the request.

CLAIMS

Inspect before you sign. If there is a shortage or damage, **accept shipment only after freight agent makes a damage or shortage notation on your freight bill, bill of lading, or delivery receipt.** If damage or loss is evident, notify your freight agent and request inspection within 10 days of receipt of goods. Shipments are packed in approved containers. Claims must be made within 30 days of shipment and are subject to approval. Claims made after 30 days will

not be honored. Our responsibility for damage, visible or concealed, ceases upon delivery to the transportation company.

5 KNUCKLE BEARINGS

While TA/T4A part numbers are listed in this price book, TB/T4B are still available and in many cases will be the same book price as TA / T4A.

ORDERS

Orders may be emailed to orders.mckinney@assaabloy.com or faxed to 877-888-2772

McKinney ElectroLynx® Power over Ethernet (PoE) Hinge & Harnesses

Price Code 79

PoE Hinges are
Price Code 59

U.S. Patent No.
7,824,200

(A) Frame Side Harness Assembly

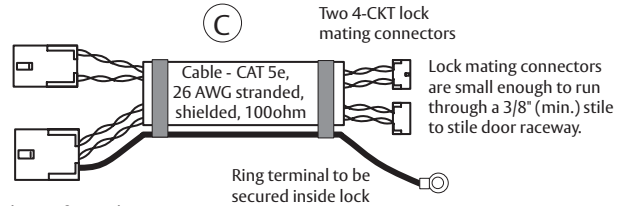

PART #	McKinney CATALOG #	Description:	Net Price
73695	4.5 x 4.5 TA2714 26D PoE	Standard Weight 5 Knuckle	607.93
73696	4.5 x 4.5 T4A3786 26D PoE	Heavy Weight 5 Knuckle	627.01

Consult the factory for additional items with PoE option.

(B) PoE Data Hinge

PoE Door Harness Assembly

(C)

NOTES:

The PoE door & frame harnesses can accommodate a variety of new (with raceway) and retrofit applications. Connectors are small enough to run through a 3/8" (min.) stile-to-stile door raceway. Connects to intelligent Power over Ethernet electromechanical hardware from SARGENT and CORBIN RUSSWIN.

PART #	McKinney CATALOG #	Harness Length	Application	Description:	Net Price	Max Hinge Req'd (not included)
Door Harnesses			Between Hinge & PoE Lock			
94022	PoE-C206P	30"	20" to 25" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	27.80	PoE
94038	PoE-C300P	36"	26" to 31" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	28.49	PoE
94039	PoE-C306P	42"	32" to 36" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	29.03	PoE
94040	PoE-C400P	48"	37" to 42" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	29.79	PoE
94041	PoE-C406P	54"	43" to 48" door width (doors with 3 butt hinges with PoE hinge in center stile-to-stile raceway to lock prep).	PoE, Cat 5e, 26AWG, Shielded, Screened, 100ohm, Door Harness Assembly	30.61	PoE
94042	PoE-C500P	60"	Door Harness Assembly	PoE, CAT 5e, 26AWG, Shielded, Stranded, 100ohm, Door Frame Harness Assembly	38.87	PoE

ASSA ABLOY

The global leader in door opening solutions

Listing: R12248

McKINNEY aluminum continuous hinges have been tested and certified by Underwriters Laboratories, Inc. (U.S.A. and Canada) for up to a 3-hour (A Label) Fire Listing for all 4'0" x 10'0" and 8'0" x 10'0" door and frame assemblies. Fire listing certification applies to all approved hollow metal and wood door assemblies in dry wall or masonry wall construction. No special preparations are required for up to 90 minutes. Fire Pins, which also increase the security of the door are required for 3-hour applications. Fire Pin applications fall within the UL guidelines for retrofitting assemblies in the field. Cutting the hinge in the field will not void the UL listing. Drilling locations for Fire Pins are found on each template. The most up to date templates are found on our web site at www.mckinneyhinge.com

All models are approved for UL retrofit applications per NFPA 80.

These hinges conform to ANSI / BHMA Standard A156.26-2000:

Grade 2-150 (150 # Door @ 1,500,000 cycles)	Grade 2-300 (300 # Door @ 500,000 cycles)
Grade 1-300 (300 # Door @ 1,000,000 cycles)	Grade 1-600 (600 # Door @ 500,000 cycles)

Available Options:

(Consult individual pages for availability of option with profile listed)

- Current Carrying Hinges: Each QC4 cable will carry 16 amps continuous at 24 volts in-rush for 820 milliseconds. When ordering, please specify where the modification is to be located from the top of the hinge down to the centerline of prep. Handing is required on all hinges provided with electrical modifications. Molex connectors with ElectroLynx® are warranted for 5 years. Molex connectors are included at each leaf for ease of electrical connection. Each electrical prep is supplied with a 180" cable lead. QC hinges are available with additional options, SER (Serviceable) and ACC (Accessible).
- MM – Magnetic Monitoring Transfer also available with SER and ACC Options.
- QC – ElectroLynx™ Connectors also available with SER (Serviceable) and ACC (Accessible) Options.
- EPT – Power Transfer Prep (Cut Out Only) for Von Duprin. See page CH-10 for location template. This template must be filled out and included with your order.
- PT – Power Transfer Prep (Cut Out Only) – for Securitron, Yale, Centurion, Dorma or Adams Rite. Refer to page CH-10 for location template. This template must be filled out and included with your order.
- Custom Cut to Length (Hinges may be field cut and not void listing. Field-Cut hinges should be cut from bottom)
- Fire Pins Kit – While hinges are rated without fire pins up to 90 minutes, 3-hour ratings require the use of fire pins. Fire pin kit consists of 4 each for 80-95 inch hinges and 5 each for 96 to 120 inch hinges, as well as the installation instructions on what size holes to drill after the hinges have been installed.
- Hospital Type Tips are available on full mortise hinges
- Specify "K" pre-fix for Kawneer Tuffline Series Aluminum Doors on our MCK-12HD Series, order as K-MCK-12HD and include size and finish
- Painted Colors
 - Gear Cap Only - Batch charge and additional charge per hinge
 - Complete Hinge - Batch charge and additional charge per hinge (minimum run 20 hinges) POA

Lengths

McKINNEY aluminum continuous geared hinges are listed and priced here in 79", 83", 85", 95" and 120" actual lengths for ease of installation on standard nominal door openings. The actual length of the hinge provides for head and threshold clearance.

Custom lengths may be ordered as a special run. Consult the factory regarding minimum requirements and non-cancellation policy on custom lengths.

Hinges may be cut to appropriate length in the field. The hinge should be installed with the cut side on the bottom. Cutting in the field does not void the listing. We recommend that after removing cap, a saw blade be used to score and always begin cut at gear head. Never at leaves.

Cut only from bottom of hinge. Do not cut through bearings or screw holes.

Numbering System & Standard Lengths

Hinge Prefixes

EG	Edge Guard
FM	Edge Mount
FS	Full Surface
HG	Hinge/Guard
HM	Half Mortise
HS	Half Surface
SC	Swing Clear

Hinge Series

This series number indicates the type of hinge and base material used:

MCK-3700	Carbon steel barrel hinges with stainless pin
MCK-300	Stainless steel barrel hinges with stainless pin
MCK-3500	12 Gauge stainless steel pin and barrel security hinges

Hinge Models

00	Edge mount (formerly full mortise)
01	Full surface, 1/8" offset
02	Full surface, flush
03	Half surface, 1/8" offset
04	Half mortise, 1/8" offset
05	Edge mount hinge/guard
06	Half mortise hinge/guard
08	Edge guard
09	Full surface, swing clear
10	Swing clear hinge/guard
11	Edge mount, self aligning
15	Edge mount, self aligning flush edge guard
21	Full surface inset, 3/4" offset
22	Edge mount hinge/guard, deep
23	Edge mount hinge/guard, deep, thru bolt
25	Edge mount swing clear
26	Edge mount hinge/guard, swing clear
27	Edge mount, safety hinge
29	Edge mount, self aligning

Option Suffixes

AS	Adjust-A-Screws
AMS	Adjustable Monitoring Switch
CTP	Current Transfer Preparation
EL	ElectroLynx® Current Transfer
PoE	Power Over Ethernet
ETAP	Electrical Transfer Access Prep

*The MP-EMAP was changed to MP-ETAP. There is no prepping necessary for the MP-ETAP, although the frame and door need to be prepped for the EL12.

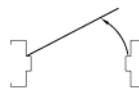

EPT	Electrical Power Transfer
HT	Hospital Tip
LL	Lead Lined
PC	Powder Coated
RB	Raised Barrel
WT	Wide Throw

Standard Hinge Length Conversion Chart

A 6'8"	door opening =	an actual length of 79 ³ / ₁₆ " (handed)
A 7'0"	door opening =	an actual length of 83 ¹ / ₈ "
A 7'2"	door opening =	an actual length of 85 ¹ / ₈ " (handed)
A 8'0"	door opening =	an actual length of 95"
A 10'0"	door opening =	an actual length of 118 ³ / ₄ "

Custom hinge length will be evaluated at the time of request to ensure proper pin to knuckle alignment. Some custom length requests may be adjusted to ensure a proper hinge assembly.

McKinney 3-Day QuickShip Program

The MCKINNEY 3-Day QuickShip program provides quick access to over 440 of our most popular products to meet the needs of your next job. Orders for items on the program will be shipped within 3 business days.

Fax orders to 877-888-2772 or email to dss-orders@assaabloy.com.

Please note that made-to-order hinges ship in 2-3 weeks. Purchase orders that combine made-to-order and QuickShip items will be held and shipped together. Enter QuickShip items on a separate purchase order to ensure the shorter lead time.
