

HYDRAULIC GATE CLOSER FOR LARGE GATES

Item No. SAMSON-2

Simple installation and flexible functionality make it the perfect fit for larger gates.

Samson-2 is a polyvalent hydraulic gate closer developed with high quality components for an exceptional long life span. Temperature changes do not affect the smooth and constant functionality. The set of mounting brackets that are delivered with the closer make Samson-2 fit for any gate. Also fitted for chain link fences.

- Opening angle up to 150° depending on the situation
- Specially developed for outdoor use: industrial quality
- Powder coated aluminum housing
- Closing speed unaffected by temperature changes
- Fast and easy fixation with Quick-Fix
- For left and right turning gates
