Thank you!

2017 was a fantastic year of growth and further transformation for Trimco. We continue to be amazed at the support from our customers. With many unique and interesting new products in the works, we look forward to what the future brings.

LDH100 Series continues to support our schools and public facilities with an economical solution for lockdown, and we will continue to expand the portfolio and deliver new options. The new patented **Wall Strike**, in conjunction with the Trimco 1074 Series ADA Barn Door Locks solves challenges with locking barn and surface sliding doors. You will also notice our new **AP Series Pulls**. These architectural pull families highlight Trimco's capabilities to deliver eye-catching and custom pulls for any application. **Identity Hardware** continues to enable end-users to showcase their brands and allow customers to physically interact with their brands via customized and branded hardware. Finally, industry knowledge and understanding of the unmatched benefits of Trimco's **Healthy Hardware**, made with EPA registered bactericidal copper, is driving specifications and demand around the world.

Trimco. Fiercely Independent since 1949!

HOW TO USE THIS PRICE LIST

1. Printed versions of this price list are for reference only. Please visit www.trimcohardware.com for the most recent
2. Pricing is as indicated for standard finishes. 605, 613, 625, 626, 628, 629 and 630. Additional finishes are available as shown below. If a price is not shown for a particular finish, it may be available at the special price or by special quotation if quantities warrant. Minimum quantities may apply.
3. As a matter of convenience, those items commonly stocked are marked with a box surrounding the price. We will attempt to have the boxed items in-stock, in quantities close to expected demand. In any event, anticipate that lead-times for these items will generally be very short.
4. Items formerly offered, but not in this price list are available by special order and quotation only, provided basic materials are available.
5. When ordering, please use numbers and finishes as indicated in price list. It will expedite the entering of your order, and reduce the chance of error due to incorrect interpretation.
6. Some products are marked with the following logos:

Products with a UL listing.

Products that meet ADA requirements.

Products that can be manufactured with special bactericidal copper alloys.
